Our college organizes Alumni meet regularly and the alumni take part actively. Many events are organized during the alumni meet for all the alumni to participate enjoy and recollect the memories. They don't stop with the participation alone; they contribute by several means to the alma mater.

The main objective of Alumni Association are as follows

1. They contribute technically for the content development of value added courses.
2. They help in identifying companies for recruitment for their juniors
3. Delivering guest lectures and Teck Talk to the students to widen their knowledge of current technologies and trends.
4. Volunteering to offering internships to pre-final and final year students.

5. They eagerly participate during the inauguration of first year and share their memories to the budding engineers who step into our college. Our institution does not fail to honor our distinguished alumni frequently. Interaction and bonding between college and alumni through association grows daily.

Non-Technical Support:

Alumni support in curricular, extracurricular and co-curricular activities like sports/cultural/workshop/seminar/books donation. As they have organized many events while they studied, this experience helps the juniors a lot in conducting programs. Regular seminars will be organized by inviting alumni as resource person to deliver latest technologies by many departments.

Distinguished alumni are regularly invited as chief guest in college events and honored. Some of the alumni are employed as faculty members in various departments and are contributing to the growth of the institution.
