TREE PLANTATION

REPORT

PLACE: Melpathi Village.

DATE: 18.10.2018

Trees play an important role in reducing the air pollution and to maintain the good quality air level in an environment. Trees are also useful to reduce the erosion of soil which may lead to high flood situations. So every individual shall try to plant many trees as possible. Because day by day the pollution level in the environment is becoming worse. Hence to overcome this situation tree plantation is the only solution we have.

In this regard, the college NSS team organized a tree plantation programme on 18.10.2018 at Melpathi Village. 30 NSS volunteers have actively participated and planted the saplings around the village.

The local village people voluntarily participated along with our NSS team. They motivated a lot and learn new things related to the environment.

HELMET AWARENESS PROGRAM

REPORT

PLACE: Koliyanur Cross Road.

DATE: 24.10. 2018

The NSS unit of the A.R.Engineering College organized a Helmet Awareness Program on 24.10.2018 in Koliyanur Cross Road. Nowadays helmet is one of essential things which will help us to prevent the major injury if accident happened in our life. So that our government highly recommended is wearing the helmet, while driving the two wheeler vehicles. Totally 75 students and 5 number of faculty members were participated in order to create the awareness among the youths and public.

Responsibility of their safety, it's not for the law it's their safety too, create the awareness to wear the ISI brand helmet for better safety. In market so many models with varieties of helmet available but we have to choose the ISI brand only for better performance.

In our country more number of accident cases has been registered in every year. Most of the accident cases middle aged people. Our main target was focusing that particular age group. This event was conducted as per the requisition of Mr.Annamalai, RTO, and Villupuram. Our students participated in this awareness programme with slogan and placard.

All the necessary arrangement made by the NSS volunteers under the guidance of program officer Mr.K.Sivakumar.

FLOOD RELIEF MATERIALS

REPORT

PLACE: Pondy, Villupuram and Cuddalore

DATE: 26.11.2018

On 26.11.2008 a team of faculty members and 15 NSS volunteers visited Pondy, Villupuram and Cuddalore districts to distribute relief materials to people in the cyclone hit areas.

Generally relief materials are distributed during the time of disaster for natural calamities. This procedure is followed for optimal distribution plan. It directly reaches affected people also fairness in distribution is maintained throughout. 15 NSS volunteers participated in this event. The relief items comprised of dresses, food packets, Rice bags, pulses, carpets etc. In this event, nearly 300 families benefited during the calamities.

MEDICAL CAMP

PLACE: Vadakuchipalayam

DATE: 02.02.2019

As a part of our regular activity our NSS team was conducted on Medical Camp 02.02.2019. It was organized by our NSS program officer Mr.K.Sivakumar, and the Medical Camp was started at 10.00 a.m. In this Medical Camp, Radhapuram Primary Hospital Villupuram joined with us. Above 100 people were benefited in this camp. The Medical Camp improved awareness and alertness, increased confidence approaching communities, and increased compassion towards patient care. Medical camps had an overall positive impact on volunteering students. They provide access to basic and specialized medical services, raise awareness about health issues, and can help prevent the spread of disease. Medical camps are a valuable tool in addressing health inequalities and improving the overall health of our Society. In this event 55 NSS volunteers were participated and this camp ended at 5.30p.m.

SWACHH BHARAT CLEANING PROGRAM

REPORT

PLACE: Vadakuchipalayam

DATE: 03.02. 2019

Our college NSS team conducted the Swachh bharat cleaning program at Vadakuchipalayam Village on 03.02.2019. In this event we covered the school and temple area as per the panchayat requisition. Our college students were involved as per the guidelines of our Prime Minister. In this program 40 students were involved. Our beloved Principal-Dr.R.Panneer Dhass initiated this program and encouraged our students to take part this event to make our environment clean and free from all kind of pollution.

The purpose of conducting this event, creating the awareness among the students and people of this native if once they got aware of cleanliness, they never make any mistake again. It is our duty to make aware them. This is very important today because the global warming and decreasing of soil strength were formed because of this problem. After involving this program our students felt very happy to take part in this event and they highly interested to do again. They want to create the awareness to the people to make their environmental clean. Our Principal were appreciated our students after completing their work for their involvement.

BLOOD CAMP

REPORT

PLACE: A.R.Engineering College

DATE: 04.02. 2019

The NSS of the A.R.Engineering College collaborated with Radhapuram Primary Hospital conducted a blood donation camp on 04th Feb 2019 in our college physics lab. As per the requisition of the Radhapuram Primary Hospital, our college principal is given the approval to conduct this blood camp on this date. Then the Hospital team visited our college and them taken around 120 units of blood our college students and village people.

The following factors has been screened those who are came for donate the blood that was aged above 18, hemoglobin eligibility, three months completion in their previous blood donation , shouldn't affected from jaundice and we suggested the students to get the prior permission from their parents to donate the blood. They provided the cool drinks and snacks to the donors. In this event 60 NSS volunteers were acatively participated.

The camp came to a close with a positive note.Students and village peoples are realized the significance of blood donation and their responsibility towards saving human lives.

Above 100 people donated their blood. In this event 60 NSS volunteers are participated and this camp ended at5.30p.m.

EYE CAMP

REPORT

PLACE: Vadakuchipalayam.

DATE: 05.02.2019

As a part of our regular activity our NSS team conducted at Eye Camp on 05. 02.2022. It was organized by our NSS programme officer Mr.K.Sivakumar, and the Eye Camp started at 10.00a.m. In this Eye Camp, Dr.Agarwals Eye Hospital Villupuram, joined with us .Above 100 peoples are participated.

Eye camps are an essential part of comprehensive eye care in India. They provide a platform to screen a large number of people for eye diseases and provide immediate treatment and referral to those in need.

In this event 50 NSS volunteers are participated and this camp ended at 5.30p.m.

YOGA EVENT

REPORT

PLACE: A.R Engineering College.

DATE: 15.03.2019

As part of our regular activity our NSS team conducted Yoga with health on 15.03.2019. It was organized by our NSS programme Officer Mr.K.Sivakumar, and the yoga activity started at 4.00pm.

As Yoga increases energy levels of body, it is good for counteracting fatigue. Yoga improves the production of FNDC5 proteins and releases it to the bloodstream. This type of protein facilitates existing brain cells to continuously reproduce. Thus, daily Yoga promotes a stronger and healthier brain.

Practicing Yoga results in reducing hyperactivity and inattentiveness in students, improving their attention span. A greater attention span helps in retaining the information for a longer period. The direct effects of Yoga on memory can be seen with better academic grades and a longer concentration span. Studies revealed that Yoga for students has a positive effect on the nervous system and brain. Yoga stabilizes the blood pressure and keeps the heart rate in control in pressure time. Yoga allows taking eyes off the books/laptops. Thus, eyes are relaxed for some times.

In this event 50 NSS volunteers are Participated and the yoga activity ended at 5.30 pm.

AWARENESS ABOUT TRADITIONAL FOOD

REPORT

PLACE: A.R Engineering College.

DATE: 24.03.2019

Traditional food is an essential aspect of human life. It protects ancestral culture, health, tradition with natural ingredients. It is the best food compared to processed food. It helps to get rid of allergies, asthma, digestive problem, auto immune disorders. It is a hand prepared food which does not cause any side effects. In the modern society the students and parents have a fast moving life which hinders their eating habits and the food that is prepared. They concentrate on easily prepared food namely instant food which lack nutrients.

From 24th March to 25th 2019, an awareness programme on traditional food was organized by AREC. In this event 15 students participated and this event was organized for all first year students in Physics Lab. On the day I, a traditional recipe namely Pirandai Chutney was released and the students were explained about the nutritional and medicinal value of cactus variety. On day II, students were explained Bajra Rotti and its nutritional value and about different millets and its advantages in improving immunity. On III day, Thina Keerai Rotti was made and explained about the advantage of having millet spinach. Many students benefitted from this awareness programme.

Through this project we can help people to provide some food recipes of our ethnic foods and to make them know the health benefits of those recipes. The medicinal values of our Ethnic foods are very high, by taking them regularly will help ourselves to maintain healthy life.

OLD AGE HOME VISIT

REPORT

PLACE: Annai therasa illam, Angarayanallur Village.

DATE: 16.04.2019

Old age home visit (Annai Teresa Illam) at Angarayanallur village on 16.04.2019 conducted by Mr.K.Sivakumar, NSS Coordinator, the old age people around 50 are there, we provide lunch for those people.

The impact of social outreach programs like Old Age Home Visit as part of the curriculum has helped the students in inculcating the mental sensibilities required while dealing with the elderly. At the same time, it helps them to understand the psychological and physical problems associated with the elderly population.

It went on well with the enthusiastic participant of 30 numbers of NSS students of our college.

SWACHH BHARAT

REPORT

PLACE: Vakkur Village.

DATE: 25.04.2019

Our college NSS team conducted the Swachh bharat cleaning program at Vakkur Village on 25.04.2019. In this event we covered the school and temple area as per the panchayat requisition. Our college students were involved as per the guidelines of our Prime Minister. In this program 50 students were involved. Our beloved Principal-Dr.R.Panneer Dhass initiated this program and encouraged our students to take part this event to make our environment clean and free from all kind of pollution.

During camps, the NSS volunteers are actively involved in the activities viz., cleaning of village surroundings, road sides, temples and ditches.

The purpose of conducting this event, creating the awareness among the students and people of this native if once they got aware of cleanliness, they never make any mistake again. It is our duty to make aware them. This is very important today because the global warming and decreasing of soil strength were formed because of this problem. After involving this program our students felt very happy to take part in this event and they highly interested to do again. They want to create the awareness to the people to make their environmental clean. Our Principal were appreciated our students after completing their work for their involvement.

WORLD ENVIRONMENTAL DAY COMPETITION

REPORT

PLACE: Panaiyapuram Village.

DATE: 05.06.2019

The world Environment day celebrated on 5th June. On this day across the globe millions of people participate and outreach others to create awareness on protecting the environment. It is a global platform engaging government, civil societies, school and colleges, celebrities and different community join together on this day to save the globe.

In this regard college NSS unit visited Government Higher Secondary School, at Panaiyapuram Village, Villupuram District. Student from 9th to 12th std participated in the competition organized by the NSS unit. The NSS volunteers organized Essay Competition, Poetry Writing, Drawing and Oratorical competition. In all these competition themes related to environmental protection was given to the students. The students actively participated in all these competition. Around 150 students participated in this competition and the winners were awarded with certificates and prizes. This also includes distribution of certificates for all participants. The school Head Mistress appreciated the motivational and support extended by the NSS unit of the college.

Environmental awareness fosters a sense of responsibility and stewardship towards the planet. People are encouraged to engage in actions that protect and conserve natural resources, reduce pollution and mitigate the impacts of human activities on ecosystems.

TREE PLANTATION

REPORT

PLACE: Vakkur Village.

DATE: 21.08.2019

Trees play an important role in reducing the air pollution and to maintain the good quality air level in an environment. Trees are also useful to reduce the erosion of soil which may lead to high flood situations. So every individual shall try to plant many trees as possible. Because day by day the pollution level in the environment is becoming worse. Hence to overcome this situation tree plantation is the only solution we have.

In this regard, the college NSS team organized a tree plantation programme on 21.08.2019 at Vakkur Village 30 NSS volunteers have actively participated and planted the saplings around the village.

The local village people voluntarily participated along with our NSS team. They motivated a lot and learn new things related to the environment.

BLOOD DONATION CAMP

REPORT

PLACE: A.R.Engineering College

DATE: 29.08. 2019

The NSS of the A.R.Engineering College collaborated with Radhapuram Primary Hospital conducted a blood donation camp on 29th August 2019 in our college physics lab. As per the requisition of the Radhapuram Primary Hospital, our college principal given the approval to conduct this blood camp on this date. Then the Hospital team visited our college and they taken around 120 units of blood our college students.

The following factors has been screened those who are came for donate the blood that was aged above 18, hemoglobin eligibility, three months completion in their previous blood donation , shoudn't affected from jaundice and we suggested the students to get the prior permission from their parents to donate the blood. They provided the cool drinks and snacks to the donors. In this event 68 NSS volunteers were acatively participated.

The camp came to a close with a positive note.Students and village peoples are realized the significance of blood donation and their responsibility towards saving human lives.

SWACHH BHARAT CLEANING PROGRAM

REPORT

PLACE: Melpathi Village

DATE: 03.02.2019

Our college NSS team conducted the Swachh bharat cleaning program at Melpathi Village on 30.08.2019. In this event we covered the school and temple area as per the panchayat requisition. Our college students were involved as per the guidelines of our Prime Minister. In this program 45 students were involved. Our beloved Principal initiated this program and encouraged our students to take part in this event to make our environment clean and free from all kind of pollution. During camps, the NSS volunteers are actively involved in the activities viz., cleaning of village surroundings, road sides, temples and ditches.

The purpose of conducting this event is to create the awareness among the students and people of this native if once they got aware of cleanliness, they never make any mistake again. It is our duty to make aware them. This is very important today because the global warming and decreasing of soil strength were formed because of this problem. After involving in this program our students felt very happy to take part in this event and they highly interested to do again. They want to create the awareness to the people to make their environment clean. Our Principal appreciated our students after completing their work for their involvement.

DENTAL CAMP

REPORT

PLACE:A.R Engineering College

DATE:18.09. 2019

Oral health plays a vital role in the overall health and well being of the individual. With the objective of helping students access oral health and hygiene facilities, college NSS unit organized a free dental check-up and awareness camp in association with A.G Dental Clinic ,Pondy .

The NSS unit of the A.R.Engineering College organized dental campm on 18.09.2019 in the physics Laboratory. This camp is supervised and conducted by our expert panel of professionals from the dental Doctors from A.G.Dental Clinic , Pondy hosted the camp and gave awareness on dental care. Around 35 students participated in the dental camp. The convenor of the event Mrs.Suguna proposed the vote of thanks.

FIT INDIA PROGRAMME

REPORT

PLACE: A.R Engineering College

DATE: 12.10. 2019

Fit India movement was launched by Honourable Prime Minister with a view to make fitness an integral part of our daily lives. We have conducted this event to our Ist & IInd year students. During the program various points regarding the fitness has been discussed. The mission of the movement is to bring about behavioural changes and move towards a more physically active lifestyle. Fit India mission encourages people to become part of fit India movement by including 30 minutes of physical activities in their day to day lives. The mission of the movement is to bring about behavioral changes and move towards a more physically active lifestyle.

As per the instruction given by the Central government to conduct Fit India movement programs for the youngsters, a workshop was conducted to the students. Towards achieving this mission, Fit India proposes to undertake various and conduct events to achieve the objectives. It created awareness on fitness and various physical activities that promote fitness.

An online Fit India program was organized by the NSS unit of the college 12.09.2019. In this program the Prime Minister Mr. Narendra Modi addressed the gathering through proper exercise practice. Totally 50 students participated in the events.

COVID-19 AWARENESS PROGRAMME(SCHOOL STUDENTS)

REPORT

PLACE:A.R Engineering College

DATE:05.02. 2020

Covid 19 awareness program has conducted by the NSS team of A.R.Engineering College for school students on 05.02.2010. In this program the following precaution has been explained to the students . As a movement to fight against covid-19 and current pandemic conditions in all over India. COVID awareness is the only tools to prevent corona virus by following rules and guidelines given by GOI. During the COVID-19 situation.

The objective of this program is to improve general quality of life by promoting post COVID-19 awareness camp regarding social distance, hand washing , wearing mask, etc. Covid-19 is an infectious disease caused by novel corona virus. It can also be transmitted from person. This virus spreads through droplets of saliva or discharge from the nose when an infected person coughs or sneezes. The diseases is contagious and dangerous leading to deaths among human beings. The symptoms of covid-19 H1N1 are fever, dry cough, headache, cold, sore throat, diarrhea, loss of smell or taste etc. It is recommended to visit the doctor as soon as person suffers any of these symptoms. Preventive measures are as follows,

1. The best way to prevent COVID-19 is maintaining social distance.
2. Highly recommended to wear masks on mouth and nose so that they do not intake the virus from the environment.
3. Wash your hands properly using soap or sanitizer. This prevents the virus to get into the body and infect us.
4. Avoid contact with people infected with corona virus.

In this camp the NSS Programme Officer and 20 NSS volunteers are actively participated and gained awareness about health and fitness.

COVID-19 AWARENESS PROGRAMME(COLLEGE STUDENTS)

REPORT

PLACE:A.R Engineering College

DATE:24.02. 2020

As a movement to fight against covid-19 and current pandemic conditions in all over India. COVID awareness is the only tools to prevent corona virus by following rules and guidelines given by GOI. During the COVID-19 situation, NSS of A.R.Engineering College has organized the COVID awareness program on 24.02.2020. the key speaker of the program was Dr.Mahalakshmi, Radhapuram Primary Hospital,Radhapuram.

The objective of this program is to improve general quality of life by promoting post COVID-19 awareness camp regarding social distance, hand washing , wearing mask, etc. Covid-19 is an infectious disease caused by novel corona virus. It can also be transmitted from person. This virus spreads through droplets of saliva or discharge from the nose when an infected person coughs or sneezes. The diseases is contagious and dangerous leading to deaths among human beings. The symptoms of covid-19 H1N1 are fever, dry cough, headache, cold, sore throat, diarrhea, loss of smell or taste etc. It is recommended to visit the doctor as soon as person suffers any of these symptoms. Preventive measures are as follows,

1. The best way to prevent COVID-19 is maintaining social distance.
2. Highly recommended to wear masks on mouth and nose so that they do not intake the virus from the environment.
3. Wash your hands properly using soap or santizer. This prevents the virus to get into the body and infect us.
4. Avoid contact with people infected with corona virus.

In this camp the NSS Programme Officer and 49 NSS volunteers are actively participated and gained awareness about health and fitness.

SWACHH BHARAT

REPORT

PLACE: A.R Engineering College

DATE: 03.03. 2020

A campus cleanig programme was conducted by NSS wing of A.R.Engineering College on 03.03.2020, at the college campus . The main objective of the cleanliness drive is to create awareness towards cleanliness inside the college campus.

A total 24 NSS volunteers participated in the programme. NSS programme coordinator initiated cleaning activiities among volunteers. Ingrained with the pure spirit opf the Swachh Bharat , faculty members motyivate the volunteers to keep up the efforts of a clean environment on a personal level. With the moto of "Swachh Bharat", all volunteers pick plastic and waste papers from the college campus and dump them in the garbage bags. The waste was seperated as degradable & non dergradable. The platic waste was separately gathered and treatede carefully and harmlessly. Students ensured the cleanliness of, not only the surroundings, but also the class rooms, library, laboratories and auditorium.

COVID VACCINATION CAMP PHASE-I

REPORT

PLACE: A.R Engineering College, Kappiyampuliyur.

DATE: 29.03.2021

According to suggestion from our ministry of health department, A.R Engineering College NSS cell and Radhapuram Primary Hospital, Radhapuram provide timely benefit of vaccine to more no of staff. Vaccine camp was organized on 29.03.2021 for the persons aged 18 years and above in which mainly college students, staff and family members participated and benefited.

During the camp, all the protective measures related to COVID-19 were adopted. The principal of the college, Dr.R.Panneer Dhas said that if we want to defect corona, then it is necessary to get ourselves and our family vaccinated, vaccine is your protective shield to fight the corona epidemic. He said that by developing a collective immunity by getting more and more vaccinations, we will be able to save the society from the coming danger of corona in future. Apart from this, habits like Covid style like mask, two yards, hand and mouth cleaning are very important even after vaccination.

In this event totally 35 number of staff from several of our college got benefited and totally 25 number of students were participated from various branches.

RALLY FOR POLLUTION AWARENESS

REPORT

PLACE: A.R. Engineering College, Kappiyampuliyur.

DATE: 15.09.2021

Our NSS team conducted the pollution awareness rally on 15.09.2021. It was organized by our NSS Program officer Mr.N.Muthukumaran. It was started at 9am. 71 NSS volunteers participated in this rally. Environmental awareness rallies play a crucial role in raising awareness about pressing environmental issues such as climate change, deforestation, and pollution. Our NSS students created awareness to the people by this rally and the rally ended at 12pm.

SWACHH BHARAT

REPORT

PLACE: Sinthamani Village

DATE: 06.10.2021

Our college NSS team conducted the Swachh Bharat cleaning program at Sinthamani Village on 06.10.2021. In this event we covered the school and temple area as per the panchayat requisition. Our college students were involved as per the guidelines of our Prime Minister. In this program 65 students were involved. Our beloved Principal Dr.R.Panneer Dhass initiated this program and encouraged our students to take part this event to make our environment clean and free from all kind of pollution.

The purpose of conducting this event to create the awareness among the students and people of this native if once they got aware of cleanliness, they never make any mistake again. It is our duty to make aware them. This is very important today because the global warming and decreasing of soil strength were formed because of this problem. After involving this program our students felt very happy to take part in this event and they highly interested to do again. They want to create the awareness to the people to make their environmental clean. Our principal were appreciated our students after completing their work involved.

ENGINEER'S DAY CELEBRATION

REPORT

PLACE: Sri.Vengatachalapthy polytechnic college, Kappiyampuliyur.

DATE: 15.09.2021

The Engineer's Day Celebrated on 15th September. On this day, NSS unit visited Sri.Vengatachalapthy polytechnic college, Kappiyampuliyur. Students were participated in the competition organized by the NSS Unit. The NSS volunteers organized essay competition, Science exhibition, drawing and oratorical competition. In all these competition themes related to "Engineering for a sustainable future" was given to the students. The students actively participated in this competition and the winners were awarded with certificates and prizes. This also includes distribution of all participants. The polytechnic college principal appreciated the motivational and support extended by the NSS unit of the college.

MEDICAL CAMP

REPORT

PLACE: Kappiyampuliyur Village.

DATE: 26.10.2021

As a part of our regular activity our NSS team was conducted on Medical Camp 26.10.2021. It was organized by our NSS program officer Mr.Muthukumaran,, and the Medical Camp was started at 10.00 a.m. In this Medical Camp, Radhapuram Primary Hospital Villupuram joined with us. Above 100 people were benefited in this camp.

The Medical Camp improved awareness and alertness, increased confidence approaching communities, and increased compassion towards patient care. Medical camps had an overall positive impact on volunteering students. They provide access to basic and specialized medical services, raise awareness about health issues, and can help prevent the spread of disease. Medical camps are a valuable tool in addressing health inequalities and improving the overall health of our society.

In this event 55 NSS volunteers were participated and this camp ended at 5.30 p.m.

YOGA EVENT

REPORT

PLACE: Siga Arts and Science College, Kappiyampuliyur.

DATE: 12.11.2021

As a part of our regular activity our NSS team was conducted "YOGA WITH HEALTH" on 12.11.2021. It was organized by our NSS program officer Mr.N.Muthukumaran and the Yoga Activity started at 4.00p.m.

As Yoga increases energy levels of body, it is good for counteracting fatigue. Yoga improves the production of FNDC5 proteins and releases it to the bloodstream. This type of protein facilitates existing brain cells to continuously reproduce. Thus, daily Yoga promotes a stronger and healthier brain.

Practicing Yoga results in reducing hyperactivity and inattentiveness in students, improving their attention span. A greater attention span helps in retaining the information for a longer period. The direct effects of Yoga on memory can be seen with better academic grades and a longer concentration span. Studies revealed that Yoga for students has a positive effect on the nervous system and brain. Yoga stabilizes the blood pressure and keeps the heart rate in control in pressure time. Yoga allows taking eyes off the books/laptops. Thus, eyes are relaxed for some times.

In this event 50 NSS volunteers were participated and the yoga activity ended at 5.30p.m.

SWACHH BHARAT

REPORT

PLACE: Radhapuram Village

DATE: 26.11.2021

Our college NSS team conducted the Swachh Bharat cleaning program at Sinthamani Village on 26.11.2021. In this event we covered the school and temple area as per the panchayat requisition. Our college students were involved as per the guidelines of our Prime Minister. In this program 65 students were involved. Our beloved Principal Dr.R.Panneer Dhass initiated this program and encouraged our students to take part this event to make our environment clean and free from all kind of pollution.

The purpose of conducting this event, creating the awareness among the students and people of this native if once they got aware of cleanliness, they never make any mistake again. It is our duty to make aware them. This is very important today because the global warming and decreasing of soil strength were formed because of this problem. After involving this program our students felt very happy to take part in this event and they highly interested to do again. They want to create the awareness to the people to make their environmental clean. Our principal were appreciated our students after completing their work involved.

RALLY FOR ENVIRONMENT AWARENESS

REPORT

PLACE: Panaiyapuram Cross Road Village.

DATE: 09.12.2021

Our NSS team conducted Environment awareness rally on 09.12.2021. It was organized by our NSS Program officer Mr.N.Muthukumaran. It was started at 9am. 50 NSS volunteers participated in this rally.

Environmental awareness rallies play a crucial role in raising awareness about pressing environmental issues such as climate change, deforestation, and pollution. These rallies bring together individuals, communities, and organizations to advocate for sustainable practices, conservation efforts, and policy reforms.

Spreading environmental awareness can preserve our natural resources and reduce the destruction of Earth.

Our NSS students created awareness to the people by this rally and the rally ended at 12pm.

BLOOD CAMP

REPORT

PLACE: Radhapuram village.

DATE: 26.02.2022

As a part of our regular activity our NSS team conducted on Blood Camp 26.02.2022. It was organized by our NSS programme officer Mr.N.Muthukumaran, and the Blood Camp started at 10.00a.m. In this Blood Camp, Villupuram Blood Centre Services, Villupuram, joined with us.

The following factors has been screened those who are came for donate the blood that was aged above 18, hemoglobin eligibility, three months completion in their previous blood donation , shouldn't affected from jaundice and we suggested the students to get the prior permission from their parents to donate the blood. They provided the cool drinks and snacks to the donors. In this event 60 NSS volunteers were acatively participated.

The camp came to a close with a positive note. Students and village peoples are realized the significance of blood donation and their responsibility towards saving human lives.

Above 100 people donated their blood. In this event 50 NSS volunteers are participated and this camp ended at 5.30p.m

EYE CAMP

REPORT

PLACE: A.R.Engineering college.

DATE: 16.03.2022

As a part of our regular activity our NSS team conducted on Eye Camp 16.03.2022. It was organized by our NSS programme officer Mr.N.Muthukumaran, and the Eye Camp started at 10.00a.m. In this Eye Camp, Villupuram Blood Centre Services, Villupuram, joined with us. Above 100 people donated their blood. In this event 50 NSS volunteers are participated and this camp ended at 5.30p.m.

The event not only helped to prevent the further deterioration of the eyesight of the students but also provided a sense of relief to the parents. Eye exams also check for other eye diseases such as cataracts, glaucoma, and macular degeneration, which can lead to blindness if left untreated. During the eye check-up camp, we perform a variety of tests to assess the health of your eyes. Eye check-ups can **help ensure that your eyes are healthy overall**. Many individuals ignore early signs of eye disease, or even worse, they do not notice the signs of such conditions and fail to seek treatment in a timely manner, leading to preventable vision loss. Simply put, **if people do not know what is broken, they will not know what to fix.**

Above 100 people donated their blood. In this event 50 NSS volunteers are participated and this camp ended at 5.30p.m.

AWARENESS ABOUT DENGUE FEVER

REPORT

PLACE: Siga Higher Sec.school, Kappiyampuliyur

DATE: 25.08.2022

To make awareness about dengue fever among the students and Nilavembu Kashayam was given to the students in Siga Higher Sec.school. It was organized by our NSS Program officer Mr.N.Muthukumaran.

Most people who get dengue will not have symptoms. But for those who do, the most common symptoms are high fever, headache, body aches, nausea, and rash. Most will get better in 1–2 weeks. Some people develop severe dengue and need care in a hospital.

Dengue awareness is a collaborative effort that involves individuals, communities, healthcare providers, and government agencies. Communities can work together with local health departments to develop action plans, implement preventive strategies, and respond effectively to outbreaks.

In this event 106 volunteers participated and .This event ended at 4.45p.m.

TREE PLANTATION

REPORT

PLACE: Kappiyampuliyur Village

DATE: 14.09.2022

“A Man doesn’t plant a tree for himself, he plants it for posterity” As a part of our regular activity, the tree plantation was conducted on 09-09-2022. It was organized by our NSS program officer Mr.N.Muthukumaran and the event was started by our honorable Principal Mr. PANNEERDHASS M.E. PhD at 10.a.m

Trees play an important role in reducing the air pollution and to maintain the good quality air level in an environment. Trees are also useful to reduce the erosion of soil which may lead to high flood situations. So every individual shall try to plant many trees as possible . Because day by day the pollution level in the environment is becoming worse. Hence to overcome this situation tree plantation is the only solution we have.

The local village people voluntarily participated along with our NSS team. They motivated a lot and learn new things related to the environment.

In this event 75 volunteers participated and the event was ended at 2.00p.m.

SWACHH BHARAT

REPORT

PLACE: Kappiyampuliyur Village.

DATE: 26.10.2022

The Swachh Bharat was conducted by our NSS team on 26.10.2022. It was organized by our NSS Program Officer Mr.N.Muthukumaran. This event was started by our respected Principal Mr.R.Panneerdhass, M.E.Ph.D at 10.00a.m. In this event 60 NSS volunteers are participated. The event ended at 5.00p.m in our senior volunteer speech.

During camps, the NSS volunteers are actively involved in the activities viz., cleaning of village surroundings, road sides, temples and ditches.

The purpose of conducting this event, creating the awareness among the students and people of this native if once they got aware of cleanliness, they never make any mistake again. It is our duty to make aware them. This is very important today because the global warming and decreasing of soil strength were formed because of this problem. After involving this program our students felt very happy to take part in this event and they highly interested to do again. They want to create the awareness to the

100% VOTING AWARENESS RALLY

REPORT

PLACE: Koliyanur Cross Road

DATE: 09.11.2022

Our NSS team was conducted a social awareness rally on 09.11.2022. It was organized by our NSS program officer Mr.D.Manikandan. It was started at 10a.m. 70 NSS volunteers participated in this rally. Our NSS students created awareness to the people by this rally and this rally was ended at 12p.m.

Voter awareness is crucial for a healthy democracy, as informed and engaged citizens are more likely to participate in elections and make informed choices. The 2016 election, only 60% of eligible voters cast a ballot. After this conducting awareness program, 75% of eligible voters cast a ballot in the 2022 election.

SWACHH BHARAT

REPORT

PLACE: Mathirimangalam Village

DATE: 13.11.2022

Our college NSS team conducted the Swachh Bharat cleaning program at Mathirimangalam Village on 13.11.2022. In this event we covered the school and temple area as per the panchayat requisition. Our college students were involved as per the guidelines of our Prime Minister. In this program 65 students were involved. Our beloved Principal Dr.R.Panneer Dhass initiated this program and encouraged our students to take part this event to make our environment clean and free from all kind of pollution.

The purpose of conducting this event to create the awareness among the students and people of this native if once they got aware of cleanliness, they never make any mistake again. It is our duty to make aware them. This is very important today because the global warming and decreasing of soil strength were formed because of this problem. After involving this program our students felt very happy to take part in this event and they highly interested to do again. They want to create the awareness to the people to make their environmental clean. Our principal were appreciated our students after completing their work involved.

பாராட்டுச் சான்றிதழ்

திரு / திருமதி / செல்வி **த. கோகுல்** அவர்கள்
உயிருக்குப் போராடும் நோயாளிகளுக்கு உயிர் கொடுத்துதவும் வகையில், தானாகவே
முன்வந்து நன்கொடையாக இரத்தத்தை அளித்துள்ளார், அவருடைய இந்தச் சிறந்த
செயலினைப் போற்றும் விதத்தில் பாராட்டுச் சான்றிதழ் வழங்கப்படுகிறது.

இரத்தத்தை நன்கொடையாக வழங்குபவருக்கு, இதனால் எவ்வித தீங்கும் நேராது
என்பதையும் பிறிதோர் உயிரைக் காப்பாற்றும் நற்பேறு பெற்றவர் ஆகிறார் என்பதையும்
இவருடைய செயல் தெளிவாகப் புலப்படுத்துகிறது.

இவரது மானுடப்பணி மிகுந்த பாராட்டுக்குரியதாகும்.

Certificate of Appreciation

Thiru / Tmt. / Miss **D. GOKUL** is
awarded this certificate of honour with hearty congratulations and sincere
appreciation for his / her voluntary blood donation in service to suffering patients.

He / she has rendered a splendid Social Service of High Order.

Grateful thanks are given for his/her noble gesture

SWACHH BHARAT

REPORT

PLACE: Panaiyapuram village

DATE: 23.03.2023

Our college NSS team conducted the Swachh Bharat cleaning program at Panaiyapuram Village on 23.03.2023. In this event we covered the school and temple area as per the panchayat requisition. Our college students were involved as per the guidelines of our Prime Minister. In this program 60 students were involved. Our beloved Principal Dr.R.Panneer Dhass initiated this program and encouraged our students to take part this event to make our environment clean and free from all kind of pollution.

The purpose of conducting this event to create the awareness among the students and people of this native if once they got aware of cleanliness, they never make any mistake again. It is our duty to make aware them. This is very important today because the global warming and decreasing of soil strength were formed because of this problem. After involving this program our students felt very happy to take part in this event and they highly interested to do again. They want to create the awareness to the people to make their environmental clean. Our principal were appreciated our students after completing their work involved.
