MEMORANDUM OF UNDERSTANDING

BETWEEN

A.R.ENGINEERING COLLEGE

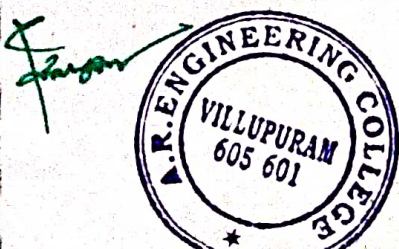

AND

BHUMI

PARTIES:

A.R.ENGINEERING COLLEGE

A.R Engineering College, which was set up in 2008, has laid the foundation of modern engineering education. Over the years, A.R Engineering College has evolved to reach and hold a unique position of pride in the technical education system in India. This college is known all over India for providing quality, technological and scientific education.

For BHUMI

M. Suresh

Authorised Signatory

A.R Engineering College had a rich heritage of the past and had its standing as one of the best engineering colleges in Villupuram. As of now, A.R Engineering College has 6 academic departments supported by the several service centers like Computer Centre, Instrumentation Centre and Central Library. The Institute offers 6 undergraduate (B.E) courses in Engineering ie., Computer science and Engineering, Civil Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering and Artificial intelligence & Data Science.

Bhumi is working towards providing holistic education and creating sustainable livelihoods for under- privileged students. Bhumi has launched a free skill up-gradation program focused on upskilling youth from marginalized or weaker sections. As a part of the initiative, we will be providing skill training in various IT skills, Software Skills, Soft skills and interview preparedness which will help them become job-ready.

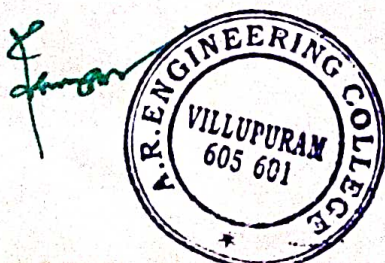

The partnership between Bhumi and A.R. Engineering college is aimed at providing a free skill up-gradation to the underprivileged students of the college as a step towards making them aware of the opportunities in their interest areas and guiding them to pursue their dream career by attaining necessary skills and knowledge through qualified trainers.

Objective of Bhumi:

Bhumi, as an implementation partner, is very keen on upskilling youth from marginalized or weaker sections. Bhumi believes that students from economically weaker sections need to be empowered so that they can tap their potential in their field of study. Bhumi would be facilitating skill upgradation sessions for the underprivileged students through the partner & volunteer network.

Details of the Partnership:

- **Bhumi** will establish a free skill training and job readiness program for the underprivileged college students in **A.R. Engineering college**
- Training includes technical skills, soft skills training and interview preparedness to help the youth beat the fear of facing interviews
- A.R. Engineering college to provide name list of students who are interested in a particular course
- Duration of the program is 3 to 4 months which depends on the exam schedules of the college and course opted by the partner **A.R. Engineering college**
- The timing and duration of the sessions can be mutually agreed upon between the trainer, A.R. Engineering college and Bhumi.
- A.R. Engineering college will support students and trainer with lab infrastructure
- The student shortlisted by the college for the course will undergo an online assessment before the commencement of the course and upon completion of the course and thereby be certified by Bhumi
- The certification process will be free of cost and no fee will be charged from the students through any means / modes by A.R. Engineering college trainer and **Bhumi**

For BHUMI

M. Sridi

Authorised Signatory

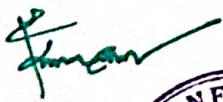

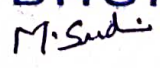

- Bhumi will provide data management system access and training to the trainer to capture the students data, attendance and assessment scores
- A.R. Engineering college along with the trainer identified will be monitoring the student attendance and retention and will be responsible for updating in the data management system provided by Bhumi
- Trainer(s) will be paid by Bhumi according to the company policies. A.R. Engineering college need not pay the trainer during the entire period
- Mode of payment will depend on the flexibility of the trainer and the A.R. Engineering college if the trainer is selected by the them
- If Bhumi is selecting the trainer, Bhumi will be responsible for the payment to the respective trainer allocated for the college
- Bhumi will be conducting various guest lectures, soft skills sessions and mock interviews to prepare the students for interviews during the period of training
- Bhumi will collaborate with its partner corporate in conducting job fairs / campus drives during or after the training period

Duration of the Agreement:

The agreement between Bhumi and A.R. Engineering college is effective from OCT 2023 to SEP 2026.

This Agreement in its original form will remain in full force and effect except when Partners desire to amend the current Agreement to reflect a new understanding. Any amendment agreed upon will not take effect without the written and signed consent of both Partners.

Signed and made effect on 05/10/2023

Through Proper Channels,

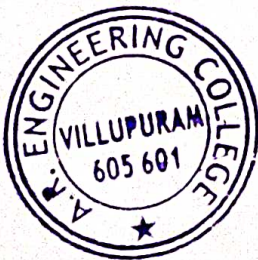

Respected Sir,

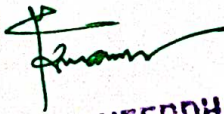

Sub: Request permission to conduct a Seminar on "GENERATION TRANSMISSION AND SWITCHGEAR" for Department of Electrical and Electronics Engineering students of our institute - reg.

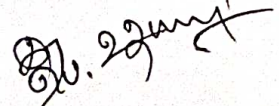

It is pleasure to inform you that Department of EEE has planned to conduct a Seminar on "GENERATION TRANSMISSION AND SWITCHGEAR" at 09.30 AM to 4.00 PM on 27.11.2023. This seminar focuses on various aspects of according to Utility, power quality is reliability. So, we kindly request you to grant us permission to conduct the programme. The Schedule and proposal of the programme is enclosed with this letter for your kind perusal and permission. Kindly do the needful.

Thanking You,

Yours Faithfully

Respected sir,

Sub: Inviting as a resource person for the programme conducted by Dept of EEE
Engineering - Reg

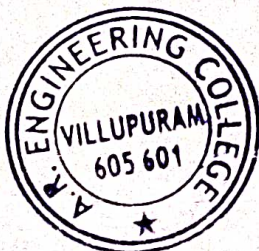

****Warm greetings from AR ENGINEERING COLLEGE, Kappiyampuliyur****

I am writing this invitation letter to you to formally invite you to the seminar on
"GENERATION TRANSMISSION AND SWITCHGEAR" which has been scheduled on
27.11.2023 from 09.30 am to 04.00 p.m. In this regard, we would like to request you to be as a
guest speaker for the said event to share your knowledge to all of the education participants.

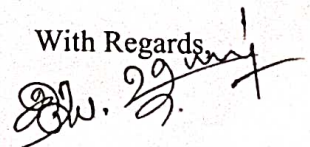

Your favourable response regarding this request will be highly appreciated.

Thanking you,

With Regards,

REPORT OF THE PROGRAMME SEMINAR ON "GENERATION TRANSMISSION AND SWITCHGEAR"

Date of Activity	27.11.2023 Time : 9.30 am to 04.00 pm
Venue of Activity	Seminar Hall
Activity Coordinators	1.Designed to store energy, both capacitors and batteries can effectively counteract undesirable electrical characteristics . 2. Reducing the real and reactive power losses
Speaker	Mr.S.Shanmugam, Trainer, BHUMI
Participants	Students
Outcome and takeaways	1.Differentiate between different types of power quality problems. 2. Sources of voltage sag, voltage swell, interruptions, transients, long duration over voltages and harmonics in a power Rights

A.R ENGINEERING COLLEGE, Department of Electrical and Electronics Engineering organized a Seminar on "GENERATION TRANSMISSION AND SWITCHGEAR". Mr.S.Shanmugam was the expert speaker on the occasion. The Seminar intended to tell about how to assess the power quality and also known the issues and solutions in emergency period. And to this course on Electrical Power Quality and system. Students of Electrical Engineering have to undergo this course as a subject in eighth semester.

It is needless to mention that how much we are dependent on electricity in our day to day life. A reasonable understanding on the basics of different problems and their solutions to applied electricity is therefore important for an electrical engineer. This paper will help the students know different power quality problems occurring in power system and provide brief idea about their Solutions With comparative study

Date: 20.04.2023

This memorandum of understanding (MoU) is made at Chennai on 20th April 2023, between SHRI SAI NDT, an Non Destrutive testing and inspection services with its registered office 34, Kamban st., 3rd Cross, Subbiah Nagar, Pudhucherry-605001 (hereinafter referred to as "company", which expression shall unless repugnant to the context or meaning thereof, include its successor-in-interest and permitted assigns);

And

A.R.ENGINEERING COLLEGE, affiliated to Anna University, Department of Mechanical Engineering at Vadakuchipalayam, Kappiyampuliyur - Post, Villupuram - 605601. (here after referred to as "college") is for the purpose of enriching the technical education imparted to students of all engineering disciplines in the field of Industrial Automation. (Here in after referred to, collectively, as the "Parties" and, individually, as a "Party")

WHEREAS

A. A.R.ENGINEERING COLLEGE was established in 2008. It is affiliated to Anna University, Chennai, and all the courses at AIHT are approved by AICTE, offering 6 under graduate courses in engineering, with total strength of 247. All the courses are approved by All India Council for Technical Education and affiliated to Anna University, Chennai.

B. SHRI SAI NDT is one of the fastest growing Training Institute and inspection service in NDT oriented skill developing training company and they are joined hands with many Industries and tie up with Govt Industries for implementing their services. They offering practical training program which mainly focuses on skill development through hands on experience

The training involves important technical details, industry updates and practical training on

A.R. ENGINEERING COLLEGE

C. Non Destructive testing and they also conducting training in their campus itself it will operational convenience to students.

Objectives:

A. This MOU is signed with the objective of furthering industry-academic relationship for mutual benefit, and to promote exchange of views on Engineering and Technological issues of common concern.

B. The MOU sets forth procedures of reciprocal cooperation, which will assist each other in meeting their responsibilities in promoting quality education, research and better services.

C. The parties shall mutually have agreed that they can share the expertise available at both ends for mutual benefits in the fields of education, training, scientific and industrial research by entering into a MOU.

D. Both Parties shall take all reasonable steps to ensure the successful completion of the collaboration, and co-operate with each other in duly carrying out the obligation agreed upon.

NOW THIS MEMORANDUM OF UNDERSTANDING (MOU) WITNESSETH AND IT IS HEREBY AGREED BY AND BETWEEN THE PARTIES HERETO AS FOLLOWS:

1. The college shall use the assistance, sponsorship or support provided by the company only for the purpose expressly stated in this MOU and not for any other purpose, unless otherwise agreed upon by the parties. Further, the company may sponsor for symposiums, cultural programs, etc., to be conducted at the college, at its own discretion.
2. Both parties will designate a representative from its side who will be the primary point of contract on behalf of that party.

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

INDUSTRIAL VISIT REPORT

Year/Sem: IV/VII

Visited date: 16.10.2023

Company Name: SHRI SAI NDT

Our college has organized an industrial visit on 16.10.2023 to SRI SAI NDT for the IV year students, EEE department. SHRI SAI NDT It is a top player company in the category . This well-known establishment acts as a one-stop destination for servicing customer.

Over the course of its journey, this business has established a firm foothold in it's industry. The belief that customer satisfaction is as important as their products and services, have helped this establishment garner a vast base of customers, which continues to grow by the day. This business employs individuals that are dedicated towards their respective roles and put in a lot of effort to achieve the common vision and larger goals of the company. In the near future, this business aims to expand its line of products and services and cater to a larger client base. It is an effortless task in commuting to this establishment as there are Electronic Component, Engineering Las Equipment Dealers, Instrument Test Control Measuring Manufacturers

Statutory Alert:

1. The authenticity of this Stamp certificate should be verified at 'www.shillestamp.com' or using e-Stamp Mobile App of Stock Holding.
2. Any discrepancy in the details on this Certificate and as available on the website / Mobile App renders it invalid.
3. The onus of checking the legitimacy is on the users of the certificate.
4. In case of any discrepancy please inform the Competent Authority.

This Memorandum of understanding (MOU) is made and entered into force on 03.04.2023 between A.R. ENGINEERING COLLEGE, an academic institution, managed by Sri Venkatachalapathy Educational Trust, (Hereinafter referred to as "the Institute") and Vector Solutions, having its registered office at # 51, First Floor, 100 Feet Road, (opp: Hero Motor Corp), Sundararaja Nagar, Puducherry-605 504.

Recitals /Institution profile:

A.R. Engineering College is one of the institutions of Sri Venkatachalapathy Educational Trust was started on 2008 at vadakuchipalayam, Kappiyampuliyur post, Villupuram with the goal to stress the prime values namely Integrity, Transparency, Accessibility, Equity, and Quality. The college is affiliated with Anna University of Technology, Chennai. The college has grown considerably under the dynamic leadership of its Chairman Mr. Mahadevan, Vice Chairman Sri. M. Kuberan and Principal Dr. R. Panneerdhass, spear heading all academic and non academic activities.

Vector Solutions:

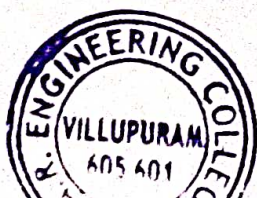

Vector solutions has been a training provider in Tamil Nadu & Pondicherry for over 14 years, successfully providing training with new skills and tools to optimize and make better informed decisions on future plans.

Our training instructions are industry experienced engineers with "Hands-On" applications experience, whose technical skills are annually assessed and updated. We provide a comprehensive selection of first class software training products and courses to meet your changing needs.

Our Training assessment services can help you evaluate where skills or knowledge needs are and develop a plan to fill the gaps.

Learn about the largest technology and earn recognized industry credential. Professional who want to accelerate their skills and knowledge is design through a formal education program.

Our training programs include the Following:

Dr. R. PANNEERDHASS, M.E., Ph.D.,
PRINCIPAL
A.R. ENGINEERING COLLEGE
VADAKUCHIPALAYAM,
KAPPIYAMPULIYUR POST,
VILLUPURAM-605 601.

Instructor Guides:

Our guides assure the instructor that all key aspects are discussed and examples are given to assist the trainer.

Pre and post tests:

Our tests are based on the core knowledge each engineer should have attained while attending the class.

Reference material:

This information about the software is user – friendly, easy –to – access format, making critical knowledge easily obtainable.

Hands on labs:

Lab activities have been developed from years of experience, using proven training methods.

Area of Training:

AutoCAD

ZWCAD

Pro/ENGINEER

Creo Parametric

CATIA V5 & V6

SolidWorks

Unigraphics (NX)

MEMORANDUM OF UNDERSTANDING

BETWEEN

VILLAGE TECHNOLOGY SCHOOL, CHENNAI

AND

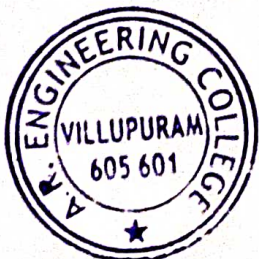

A.R. ENGINEERING COLLEGE, VILLUPURAM

This agreement made and entered into on 06th MARCH 2023 between VILLAGE TECHNOLOGY SCHOOL, CHENNAI and A.R. ENGINEERING COLLEGE, VILLUPURAM

1. OBJECTIVES OF THE MOU

The objective of this Memorandum of Understanding is:

- To promote interaction between in " VILLAGE TECHNOLOGY SCHOOL, A.R. ENGINEERING COLLEGE, VILLUPURAM CHENNAI & mutually beneficial to the Students in the area of Robotics & Automation Engineering.

Dr. R. PANNEERDHASS, M.E., Ph.D.,
PRINCIPAL
A.R. ENGINEERING COLLEGE
VADAKUCHIPALAYAM,
KAPPIYAMPULIYUR POST,
VILLUPURAM-605 601.

b) **VILLAGE TECHNOLOGY SCHOOL** is an R&D firm primarily focuses on edu-tech to provide early technology exposure to students and nurture their innovation skills to serve as a pathway for students and corporates to learn the next gen technologies. We want our students to dominate the future with their innovations.

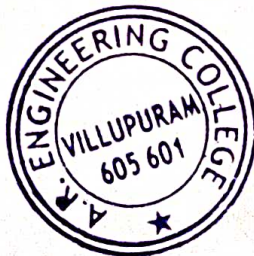

It provides a rare level of skill set to students which rise up their job opportunities. We are well known for our fun-based collaborative practical teaching approach. We also create numerous national and international winners at various robotics and innovative contests held all over the world.

VILLAGE TECHNOLOGY SCHOOL has delivered more than 200 products, 500+ projects and has trained more than 3000 students in various domains including embedded system, robotics, IoT, etc.

A.R ENGINEERING COLLEGE, which was set up in 2008, has laid the foundation of modern engineering education. Over the years, A.R Engineering College has evolved to reach and hold a unique position of pride in the technical education system in India. This college is known all over India for providing quality, technological and scientific education.

A.R Engineering College had a rich heritage of the past and had its standing as one of the best engineering colleges in Villupuram. As of now, A.R Engineering College has 6 academic departments supported by the several service centers like Computer Centre, Instrumentation Centre and Central Library.

The Institute offers 6 undergraduate (B.E) courses in Engineering i.e., Computer science and Engineering, Civil Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering and Artificial intelligence & Data Science.

Dr. R. PANNEERDHASS, M.E., Ph.D.,
PRINCIPAL
A.R. ENGINEERING COLLEGE
VADAKUCHIPALAYAM,
KAPPIYAMPULIYUR POST,
VILLUPURAM-605 601.

2. PROPOSED MODES OF COLLABORATION

"VILLAGE TECHNOLOGY SCHOOL, CHENNAI & A.R.ENGINEERING COLLEGE, VILLUPURAM proposes to collaborate through

1. AREC sponsoring 2nd, 3rd and 4th year students of All Department of Engineering courses.
2. VILLAGE TECHNOLOGY SCHOOL will conduct Hands-on technical Training & Skill Development program, Internships (Involves selection process), Industrial Training and FDP/ technical sessions (only under mutual consent) to all students at AREC Premises.

3. SCOPE OF MoU

Based on a study of the objectives and strengths of both the organizations, a MoU is agreed upon which envisages the following:

a) Joint Interdisciplinary Research and Developmental projects:

Applying for joint projects from CSIR or UGC or other similar agencies funding research grants, mutual sharing of grants for the benefit of both organizations, joint publications arising from such research grants.

b) Hands-on Commercial product Development Training & Skill Development program

The Company will provide Product based learning programs (in their expertise area) in coherent with curriculum every semester from semester III to VII, in the category of value added course. The learners can take away product after the successful completion of the training at the college premises. The financial consideration will be dealt on mutual acceptance.

c) Curriculum Design:

The company will give valuable inputs to the institution in teaching/training methodology and suitably customize the curriculum so that the students fit into the industrial needs and standards.

d) Sponsored Internships (The Company will bear the required material expenses)

The Company will provide Sponsored Internship to selected meritorious students' batch after conducting assessment during the value added course period. The terms and conditions for this will be dealt separately. (Standard selection process involved)

e) Industrial Training and Visit

VILLAGE TECHNOLOGY SCHOOL can arrange possibly Industrial visits and training in relevant fields depending upon the availability. The industrial training and exposure

provided to the students and faculties through this association to build confidence and prepare the students to have a smooth transition from academic to working career.

f) Faculty Development program

VILLAGE TECHNOLOGY SCHOOL will provide faculty development programs to teach the faculties in the emerging trends of technology. The term FDP involves lecture sessions, open source software's and company copyrighted learning materials (if any) to the department. The institution needs to provide customary support of providing transport and staying facilities to the trainer/s assigned by the company.

As **VILLAGE TECHNOLOGY SCHOOL** is trying to expand the facilities, no activities (above mentioned) will be carried out at the company premises till further notice. All training, internships and other programs will be carried at college premises only.

4. Relationship between parties

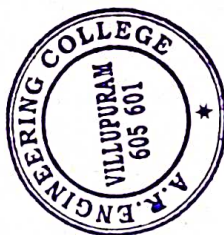

It is expressly agreed that both parties are acting under this MoU shall not be constructed as partnership. Neither party is authorize to use the other parties name in any way to make any representation, or create any obligation or liability, expressed or implied on behalf of other party. Neither party shall have nor represent itself as having any authority user the terms of this MoU to make the agreement of any kind in the name of binding upon the other party, to pledge the other party's credit or to extend the credit on behalf of the other party

To facilitate the implementation of this agreement, each party shall designate one or more liaison officers to serve on a standing committee. The standing committee will meet as and when required. The standing committee would review each party's participation in this agreement, assess the effectiveness of the agreement and identify modifications that might be necessary. The committee would as appropriate address urgent issues and specific cases of non-compliance.

5. AMENDMENTS

No amendments or modifications of this MoU shall be valid unless the same is made in writing by both the parties or their authorized representatives and specifically stating the same to be an amendment of this MoU. The modifications shall be effective from the date on which they are made or executed, unless otherwise agreed to.

Respected Sir,

Sub: Seeking Permission for Internship Training- Reg.

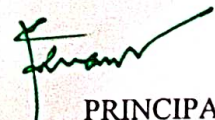

****Warm greetings from AR ENGINEERING COLLEGE,
Kappiyampuliyur****

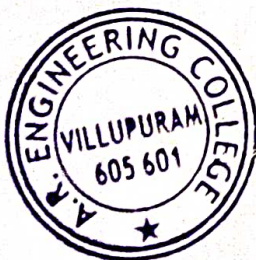

We have been always imparting a high standard of practical training so that the students readily match the needs of the industries in Organization. As a part of the curriculum, the students have to undergo Internship Training program, Which enable them to familiarize with the industrial environment. We request you to kindly accord permission to the following Third year students of Mechanical Engineering Department to undergo Internship Training

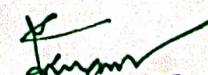

Our students shall obey all your organization rules and regulations and shall maintain the highest order of discipline during the training period. We are expecting permission for the month of end of the week May or first week of May 2023.

****We look for your kind permission for the above Internship Training to our students****

MEMORANDUM OF UNDERSTANDING

BETWEEN

13 AUTOSYS PRIVATE LIMITED, CHENNAI

AND

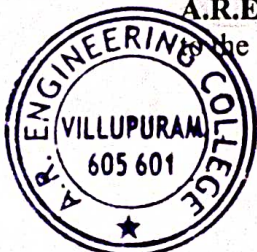

A.R. ENGINEERING COLLEGE, VILLUPURAM

This agreement made and entered into on 06th MARCH 2023 between 13 AUTOSYS PRIVATE LIMITED, CHENNAI and A.R. ENGINEERING COLLEGE, VILLUPURAM

1. OBJECTIVES OF THE MOU

The objective of this Memorandum of Understanding is:

- To promote interaction between in "13 AUTOSYS PRIVATE LIMITED, A.R. ENGINEERING COLLEGE, VILLUPURAM CHENNAI & mutually beneficial to the Students in the area of Robotics & Automation Engineering.

Dr. R. PANNEDHASS, M.E., Ph.D.,
PRINCIPAL
A.R. ENGINEERING COLLEGE
VADAKUCHIPALAYAM,
KAPPIYAMPULIYUR POST,
VILLUPURAM-605 601.

- b) **13 AUTOSYS PRIVATE LIMITED** is an R&D firm primarily focuses on edu-tech to provide early technology exposure to students and nurture their innovation skills to serve as a pathway for students and corporates to learn the next gen technologies. We want our students to dominate the future with their innovations.

It provides a rare level of skill set to students which rise up their job opportunities. We are well known for our fun-based collaborative practical teaching approach. We also create numerous national and international winners at various robotics and innovative contests held all over the world.

A.R ENGINEERING COLLEGE, which was set up in 2008, has laid the foundation of modern engineering education. Over the years, A.R Engineering College has evolved to reach and hold a unique position of pride in the technical education system in India. This college is known all over India for providing quality, technological and scientific education.

A.R Engineering College had a rich heritage of the past and had its standing as one of the best engineering colleges in Villupuram. As of now, A.R Engineering College has 6 academic departments supported by the several service centers like Computer Centre, Instrumentation Centre and Central Library.

The Institute offers 6 undergraduate (B.E) courses in Engineering i.e., Computer science and Engineering, Civil Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering and Artificial intelligence & Data Science.

2. PROPOSED MODES OF COLLABORATION

"13 AUTOSYS PRIVATE LIMITED, CHENNAI & A.R.ENGINEERING COLLEGE, VILLUPURAM proposes to collaborate through

1. AREC sponsoring 2nd, 3rd and 4th year students of All Department of Engineering courses.
2. **13 AUTOSYS PRIVATE LIMITED, CHENNAI** will conduct Hands-on technical Training & Skill Development program, Internships (Involves selection process), Industrial

Training and FDP/ technical sessions (only under mutual consent) to all students at AREC Premises.

3. SCOPE OF MoU

Based on a study of the objectives and strengths of both the organizations, a MoU is agreed upon which envisages the following:

a) Joint Interdisciplinary Research and Developmental projects:

Applying for joint projects from CSIR or UGC or other similar agencies funding research grants, mutual sharing of grants for the benefit of both organizations, joint publications arising from such research grants.

b) Hands-on Commercial product Development Training & Skill Development program

The Company will provide Product based learning programs (in their expertise area) in coherent with curriculum every semester from semester III to VII, in the category of value added course. The learners can take away product after the successful completion of the training at the college premises. The financial consideration will be dealt on mutual acceptance.

c) Curriculum Design:

The company will give valuable inputs to the institution in teaching/training methodology and suitably customize the curriculum so that the students fit into the industrial needs and standards.

d) Sponsored Internships (The Company will bear the required material expenses)

The Company will provide Sponsored Internship to selected meritorious students' batch after conducting assessment during the value added course period. The terms and conditions for this will be dealt separately. (Standard selection process involved)

e) Industrial Training and Visit

I3 AUTOSYS PRIVATE LIMITED, CHENNAI can arrange possibly Industrial visits and training in relevant fields depending upon the availability. The industrial training and exposure provided to the students and faculties through this association to build confidence and prepare the students to have a smooth transition from academic to working career.

f) Faculty Development program

I3 AUTOSYS PRIVATE LIMITED, CHENNAI will provide faculty development programs to teach the faculties in the emerging trends of technology. The term FDP involves

INDUSTRIAL VISIT REPORT

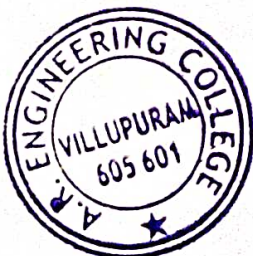

Year/Sem: IV/VII&III/V

Visited date: 14.04.2023

Company Name: ROBOTICS FOUNDATION OF TAMILNADU

Our college has organized an industrial visit on 14th April 2023 to ROBOTICS FOUNDATION OF TAMILNADU for the Final year and third year students of EEE department. This well-known establishment acts as a one-stop destination for servicing customer.

Over the course of its journey, this business has established a firm foothold in its industry. The belief that customer satisfaction is as important as their products and services, have helped this establishment garner a vast base of customers, which continues to grow by the day. This business employs individuals that are dedicated towards their respective roles and put in a lot of effort to achieve the common vision and larger goals of the company. In the near future, this business aims to expand its line of products and services and cater to a larger client base. It is an effortless task in commuting to this establishment as there are Electronic Component, Engineering Lab Equipment Dealers, Instrument Test Control Measuring Manufacturers.

MEMORANDUM OF UNDERSTANDING
BETWEEN
S&H TECHNOLOGY (P) LIMITED, PANRUTI,
AND
A.R.ENGINEERING COLLEGE, VILLUPURAM

This agreement made and entered into on 06th March 2023 between S&H TECHNOLOGY (P) LIMITED, PANRUTI and A.R.ENGINEERING COLLEGE, VILLUPURAM

I. OBJECTIVES OF THE MOU

The objective of this Memorandum of Understanding is:

- To promote interaction between in "S&H TECHNOLOGY (P) LIMITED, PANRUTI & A.R.ENGINEERING COLLEGE, VILLUPURAM mutually beneficial to the Students in the area of Robotics & Automation Engineering.

Dr. R. PANNEERDHASS, M.E., Ph.D.,
PRINCIPAL
A.R. ENGINEERING COLLEGE
VADAKUCHIPALAYAM,
KAPPIYAMPULIYUR POST,
VILLUPURAM-605 601.

S&H TECHNOLOGY (P) LIMITED, PANRUTI is an R&D firm primarily focuses on edu-tech to provide early technology exposure to students and nurture their innovation skills to serve as a pathway for students and corporates to learn the next gen technologies. We want our students to dominate the future with their innovations. It provides a rare level of skill set to students which rise up their job opportunities. We are well known for our fun-based collaborative practical teaching approach. We also create numerous national and international winners at various robotics and innovative contests held all over the world.

2. PROPOSED MODES OF COLLABORATION

"S&H TECHNOLOGY (P) LIMITED, PANRUTI & A.R.ENGINEERING COLLEGE, VILLUPURAM proposes to collaborate through

1. AREC sponsoring 2nd, 3rd and 4th year students of All Department of Engineering courses.
2. **S&H TECHNOLOGY (P) LIMITED, PANRUTI** will conduct Hands-on technical Training & Skill Development program, Internships (Involves selection process), Industrial Training and FDP/ technical sessions (only under mutual consent) to all students at AREC Premises.

3. SCOPE OF MoU

Based on a study of the objectives and strengths of both the organizations, a MoU is agreed upon which envisages the following:

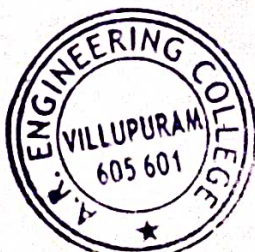

a) Joint Interdisciplinary Research and Developmental projects:

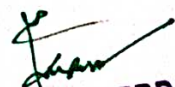

Applying for joint projects from CSIR or UGC or other similar agencies funding research grants, mutual sharing of grants for the benefit of both organizations, joint publications arising from such research grants.

b) Hands-on Commercial product Development Training & Skill Development program

The Company will provide Product based learning programs (in their expertise area) in coherent with curriculum every semester from semester III to VII, in the category of value added course. The learners can take away product after the successful completion of the training at the college premises. The financial consideration will be dealt on mutual acceptance.

c) Curriculum Design:

Dr. R. PANNEERDHASS M.E., Ph.D.
PRINCIPAL
A.R. ENGINEERING COLLEGE
VADAKUCHIPALAYAM
KAPPIYAMPULI
VILLUPURAM

The company will give valuable inputs to the institution in teaching/training methodology and suitably customize the curriculum so that the students fit into the industrial needs and standards.

d) Sponsored Internships (The Company will bear the required material expenses)

The Company will provide Sponsored Internship to selected meritorious students' batch after conducting assessment during the value added course period. The terms and conditions for this will be dealt separately. (Standard selection process involved)

e) Industrial Training and Visit

S&H TECHNOLOGY (P) LIMITED, PANRUTI can arrange possibly Industrial visits and training in relevant fields depending upon the availability. The industrial training and exposure provided to the students and faculties through this association to build confidence and prepare the students to have a smooth transition from academic to working career.

f) Faculty Development program

S&H TECHNOLOGY (P) LIMITED, PANRUTI will provide faculty development programs to teach the faculties in the emerging trends of technology. The term FDP involves lecture sessions, open source software's and company copyrighted learning materials (if any) to the department. The institution needs to provide customary support of providing transport and staying facilities to the trainer/s assigned by the company.

As **S&H TECHNOLOGY (P) LIMITED, PANRUTI** is trying to expand the facilities, no activities (above mentioned) will be carried out at the company premises till further notice. All training, internships and other programs will be carried at college premises only.

4. Relationship between parties

It is expressly agreed that both parties are acting under this MoU shall not be constructed as partnership. Neither party is authorize to use the other parties name in any way to make any representation, or create any obligation or liability, expressed or implied on behalf of other party Neither party shall have nor represent itself as having any authority user the terms of this MoU to make the agreement of any kind in the name of binding upon the other party, to pledge the other party's credit or to extend the credit on behalf of the other party

To facilitate the implementation of this agreement, each party shall designate one or more liaison officers to serve on a standing committee. The standing committee will meet as and when required.

R. PANNEERTHASS, M.E., Ph D.,
PRINCIPAL
A.R. ENGINEERING COLLEGE
VADAKUCHIPALAYAM,
KAPPIYAMPULIYUR POST,
VILLUPURAM-605 601

The standing committee would review each party's participation in this agreement, assess the effectiveness of the agreement and identify modifications that might be necessary. The committee would as appropriate address urgent issues and specific cases of non-compliance.

5. AMENDMENTS

No amendments or modifications of this MoU shall be valid unless the same is made in writing by both the parties or their authorized representatives and specifically stating the same to be an amendment of this MoU. The modifications shall be effective from the date on which they are made or executed, unless otherwise agreed to.

6. SOLE ARBITRATION CLAUSE :

If any dispute or difference whatsoever arising between the parties hereto out of or relating to the construction of meaning and operation or effect of this agreement or breach thereof, which cannot be settled between the parties shall be settled in accordance with the provisions of Arbitration and Conciliation Act 1996 by referring the dispute to a sole arbitrator and the award made in pursuance thereof shall be final and bind on the parties.

7. DURATION OF THE MoU

The duration of this MoU shall be for 5 Years from the date of signing of this MoU and shall be renewed on mutual agreement by both parties thereon. It may be modified by mutual written consent of both the parties.

8. SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the Agreement and having equal legal validity.

By signing below, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this the 16 day of November, 2022 by and between

A.R. ENGINEERING COLLEGE, Villupuram, the First Party represented herein by its Dr. R.PANNEERDHASS, Principal (hereinafter referred as 'First Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

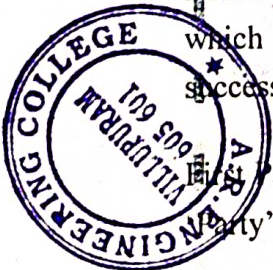

AND

ZAPHIRE INFORMATION TECHNOLOGY AND SERVICES PRIVATE LIMITED (U72900TN2021PTC140751), THE SECOND PARTY, and represented herein by its DIRECTOR DIVAN GAMALIEL, (hereinafter referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party') and

WHEREAS:

16/11/2022

The First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities to benefit students and job seekers.

The Parties intend to cooperate within the area of Skill-Based Training and Placement Assistance and Internships.

Now, therefore, in consideration of the mutual promises set forth in this MoU, the parties here too agree as follows:

1. SCOPE OF THE MOU

1.1 Co-operation and Collaboration: The students from the institution can play a key role in technological up-gradation, innovation, and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge and career prospects.

1.2 Placement of Trained Students: The Second Party will actively engage to help in the placement of the students of the First Party in suitable jobs and internships.

1.3 There is no financial commitment on the part of either party in the scope of these assisted placement initiatives offered by the Second Party. The placement assistance offered is subject to the following terms:

1.3.1 To be considered for placement assistance /Internship, students must be registered in the Zaphire platform.

1.3.2 Students must create a VIDEO resume using the available templates on the Zaphire app.

1.3.3 All VIDEO resumes must be in English, and meet the minimum quality criteria as ascertained and checked by Zaphire's representatives regarding aspects like completeness, the accuracy of the information, quality of audio and video etc.

1.3.4 Zaphire's computer algorithm and its representatives will screen and shortlist the students for various available opportunities based on skills, experience, job location, and any other fitment parameters necessary.

1.3.5 While the intent is to place as all qualified students as possible, there is no assurance from the Second Party on placement outcomes since this depends on a host of factors and fitment criteria.

1.3.6 If a student is successfully placed in a job/program/internship in which the client trains students / invest money in skill up-gradation but chooses to leave the job/program within 3 months from the start date for whatever reason OR is asked to leave for reasons of performance, conduct or any other reason, the First Party agrees to offer a suitable replacement candidate as soon as possible.

2. INTELLECTUAL PROPERTY

2.1 Nothing contained in this MOU shall, by express grant, implication, estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copyrights and designs) of the other Party.

3. VALIDITY

3.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period, both Parties will take effective steps for implementation of this MOU. Any act on the part of either party after termination of this Agreement by way of communication, correspondence, etc., shall not be construed as an extension of this MOU.

[Signature] 16/11/2022

[Signature]

3.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of termination, both parties must discharge their obligations as mutually discussed.

4. NON-CIRCUMVENTION

4.1 The First Party agrees not to engage with, directly or indirectly, the clients of the Second Party while the MOU is active.

5. RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

5.2 It is also agreed that the First Party agrees to have the Second Party use the logo and branding for marketing purposes on the website, brochures, social media, and other media events to help get the required visibility and exposure for the students.

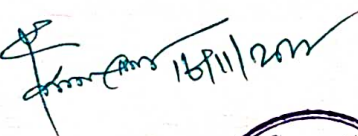

First Party

Second Party

A.R. ENGINEERING COLLEGE Vadakuchipalayam, Kappiyampuliyur Post, Villupuram-605601	Zaphire Information Technology and Services Private Limited. Shakthi Towers – 1, 766 Anna Salai, Chennai, Tamil Nadu 600002
---	--

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the Second Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of Chennai.

MEMORANDUM OF UNDERSTANDING

BETWEEN

A.R.ENGINEERING COLLEGE

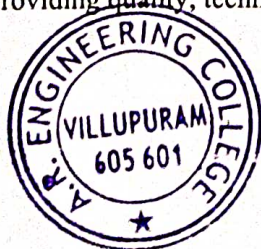

AND

VEI TECHNOLOGIES PRIVATE LIMITED

PARTIES:

A.R.ENGINEERING COLLEGE

A.R Engineering College, which was set up in 2008, has laid the foundation of modern engineering education. Over the years, A.R Engineering College has evolved to reach and hold a unique position of pride in the technical education system in India. This college is known all over India for providing quality, technological and scientific education.

Dr. R. PANNEERDHASS, M.E., Ph.D.,
PRINCIPAL
A.R. ENGINEERING COLLEGE
VADAKUCHIPALAYAM,
KAPPIYAMPULIYUR POST,
VILLUPURAM-605 601.

A.R Engineering College had a rich heritage of the past and had its standing as one of the best engineering colleges in Villupuram. As of now, A.R Engineering College has 6 academic departments supported by the several service centers like Computer Centre, Instrumentation Centre and Central Library. The Institute offers 6 undergraduate (B.E) courses in Engineering ie., Computer science and Engineering, Civil Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering and Artificial intelligence & Data Science.

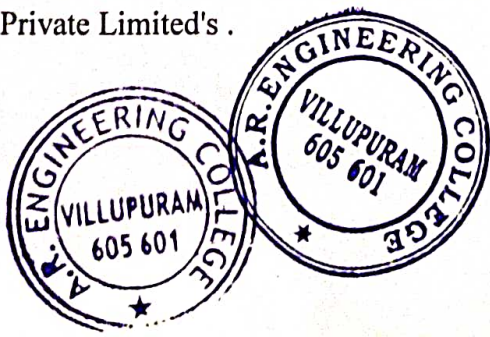

Vei Technologies Private Limited is a Private incorporated on 24 September 2021. It is classified as Non-govt company and is registered at Registrar of Companies, Chennai. Its authorized share capital is Rs. 1,000,000 and its paid up capital is Rs. 100,000. It is involved in Other computer related activities [for example maintenance of websites of other firms/ creation of multimedia presentations for other firms etc.]

Vei Technologies Private Limited's Annual General Meeting (AGM) was last held on N/A and as per records from Ministry of Corporate Affairs (MCA), its balance sheet was last filed on 31 March 2022.

The partnership between Vei Technologies Private Limited's and A.R. Engineering college is aimed at providing a free skill up-gradation to the underprivileged students of the college as a step towards making them aware of the opportunities in their interest areas and guiding them to pursue their dream career by attaining necessary skills and knowledge through qualified trainers.

Details of the Partnership:

- Vei Technologies Private Limited's will establish a free skill training and job readiness program for the underprivileged college students in **A.R. Engineering college**
- Training includes technical skills, soft skills training and interview preparedness to help the youth beat the fear of facing interviews
- A.R. Engineering college to provide name list of students who are interested in a particular course
- Duration of the program is 3 to 4 months which depends on the exam schedules of the college and course opted by the partner **A.R. Engineering college**
- The timing and duration of the sessions can be mutually agreed upon between the trainer, A.R. Engineering college and Vei Technologies Private Limited's.
- A.R. Engineering college will support students and trainer with lab infrastructure
- The student shortlisted by the college for the course will undergo an online assessment before the commencement of the course and upon completion of the course and thereby be certified by Vei Technologies Private Limited's.
- The certification process will be free of cost and no fee will be charged from the students through any means / modes by A.R. Engineering college trainer and Vei Technologies Private Limited's .

Dr. R. PANNEERDHASS, M.E., Ph.D.,
PRINCIPAL
A.R. ENGINEERING COLLEGE
VADAKUCHIPALAYAM,
KAPPIYAMPULIYUR POST,
VILLUPURAM-605 601.

- Vei Technologies Private Limited's will provide data management system access and training to the trainer to capture the students data, attendance and assessment scores
- A.R. Engineering college along with the trainer identified will be monitoring the student attendance and retention and will be responsible for updating in the data management system provided by Vei Technologies Private Limited's
- Trainer(s) will be paid by Vei Technologies Private Limited's according to the company policies. A.R. Engineering college need not pay the trainer during the entire period
- Mode of payment will depend on the flexibility of the trainer and the A.R. Engineering college if the trainer is selected by the them
- If Vei Technologies Private Limited's is selecting the trainer, Vei Technologies Private Limited's will be responsible for the payment to the respective trainer allocated for the college
- Vei Technologies Private Limited's will be conducting various guest lectures, soft skills sessions and mock interviews to prepare the students for interviews during the period of training
- Vei Technologies Private Limited's will collaborate with its partner corporate in conducting job fairs / campus drives during or after the training period

Duration of the Agreement:

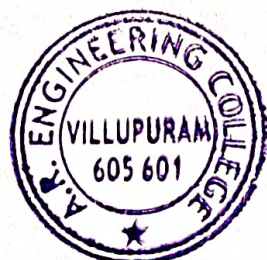

The agreement between Vei Technologies Private Limited's and A.R. Engineering college is effective from **July 2022 to June 2025**.

This Agreement in its original form will remain in full force and effect except when Partners desire to amend the current Agreement to reflect a new understanding. Any amendment agreed upon will not take effect without the written and signed consent of both Partners.

Signed and made effective on **03.10.2022**

MEMORANDUM OF UNDERSTANDING

BETWEEN

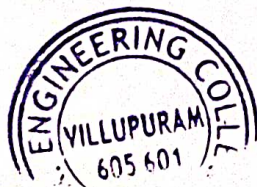

JPS TECHNOLOGIES, ARCOT

AND

A.R ENGINEERING COLLEGE, VILLUPURAM

This Memorandum of Understanding (hereinafter called as the "MOU") is entered into on this the 03 day of Month 2022 June by and between.

A.R.ENGINEERING COLLEGE, VILLUPURAM, the First Party represented herein by its Principal, Dr.R.Panneerdhass. A.R.Engineering College, Villupuram and JPS Technologies, Arcot,-6, vathiyar Govindaraj street, Jothi Nagar, [Near National School] Arcot-632. The Second party, and represented herein by its Manager Mr.J.Jayaprakash.,

Dr.R.PANNEERDHASS, M.E., Ph.D.,
PRINCIPAL
A.R.ENGINEERING COLLEGE
VADAKUCHIPALAYAM,
KAPPIYAMPULIYUR POST,
VILLUPURAM-605 601.

WHEREAS:

A) First Party is a Higher Educational Institution named: A.R. Engineering College, Villupuram

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Placement, Industrial Visit, Expert Lecture.

D) JPS Technologies, Arcot-the Second Party is engaged in Guest Lectures, Placement training etc.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE I

CO-OPERATION

1.1 Both Parties are united by common interests and objectives, and they shall establish co-operation

1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities.

1.3 The parties shall co-operate with each other and shall as promptly as is responsibly practical, relevant agreement.

CLAUSE 2

SCOPE OF THE MOU

2.1 Industrial Training & Visits: Industry and Institution interaction will provide an insight into the latest developments/requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. This will provide confidence & smooth transition for students work. Also the Second party may register on the AICTE Internship Portal for the benefit of students.

2.2 Guest Lectures: Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

2.3 Placement of trained students: second party will actively engage to help the delivery of the training and placement of the students of the first party on the technology trends and in house requirements.

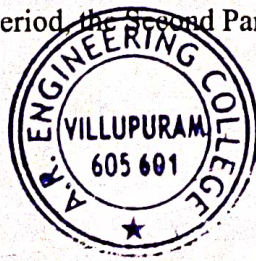

2.4 There is no financial commitment on the part of the A.R. Engineering college the first party to take up any program mention in MOU. If there is any financial consideration, it will be dealt separately.

2.5 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required.

CLAUSE 3

VALIDITY-[1 year]

3.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period the Second Part.

Through Proper Channels,

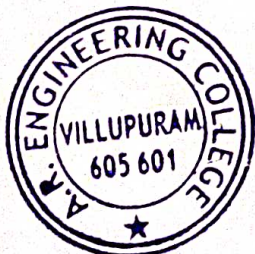

Respected Sir,

Sub: Request permission to conduct a Seminar on "power quality issues and solutions" for
Department of Electrical and Electronics Engineering students of our institute - reg.

It is pleasure to inform you that Department of EEE has planned to conduct a Seminar on
"POWER ELECTRONICS AND DRIVES WITH ITS APPLICATION" at 09.30 AM to
4.00 PM on 03.08.2022. This seminar focuses on various aspects of according to operation on
hardware and importance of MATLAB for implementing the module output with its reliability.
So, we kindly request you to grant us permission to conduct the programme. The Schedule and
proposal of the programme is enclosed with this letter for your kind persual. and permission.
Kindly do the needful.

REPORT OF THE PROGRAMME

Date of Activity	03.08.2022 Time : 9.30 am to 04.00 pm
Venue of Activity	Seminar Hall
Activity Coordinators	1. power System problem could be as subtle as a light that dims every time a large motor starts or as catastrophic as equipment failure. 2. Designed to store energy, both capacitors and batteries can effectively counteract undesirable electrical characteristics . 3. Reducing the real and reactive power losses
Speaker	Mr.J.Jagan B.E, JPS TECHNOLOGIES
Participants	6 Faculty Members along with Students
Outcome and takeaways	1. Differentiate between different types of power quality problems. 2. Sources of voltage sag, voltage swell, interruptions, transients, long duration over voltages and harmonics in a power Rights

A.R ENGINEERING COLLEGE, Department of Electrical and Electronics Engineering organized a Seminar on Power System Operation and Control. J.Jagan, vector Solutions, Pondicherry was the expert speaker on the occasion. The Seminar intended to tell about how to assess the power quality and also known the issues and solutions in emergency period. And to this course on Electrical Power Quality and system. Students of Electrical Engineering have to undergo this course as a subject in eighth semester.

It is needless to mention that how much we are dependent on electricity in our day to day life. A reasonable understanding on the basics of different problems and their solutions to applied electricity is therefore important for an electrical engineer. This paper will help the students know different power quality problems occurring in power system and provide brief idea about their Solutions With comparative study

corporates to learn the next gen technologies. We want our students to dominate the future with their innovations. It provides a rare level of skill set to students which rise up their job opportunities. We are well known for our fun-based collaborative practical teaching approach. We also create numerous national and international winners at various robotics and innovative contests held all over the world.

2. PROPOSED MODES OF COLLABORATION

NETLINK DIGITAL SOLUTION INDIA PVT LTD, CHENNAI & A.R.ENGINEERING COLLEGE, VILLUPURAM proposes to collaborate through

- 1. AREC** sponsoring 2nd, 3rd and 4th year students of All Department of Engineering courses.
- 2. NETLINK DIGITAL SOLUTION INDIA PVT LTD, CHENNAI** will conduct Hands-on technical Training & Skill Development program, Internships (Involves selection process), Industrial Training and FDP/ technical sessions (only under mutual consent) to all students at AREC Premises.

3. SCOPE OF MOU

Based on a study of the objectives and strengths of both the organizations, a MoU is agreed upon which envisages the following:

a) Joint Interdisciplinary Research and Developmental projects:

Applying for joint projects from CSIR or UGC or other similar agencies funding research grants, mutual sharing of grants for the benefit of both organizations, joint publications arising from such research grants.

b) Hands-on Commercial product Development Training & Skill Development program

The Company will provide Product based learning programs (in their expertise area) in coherent with curriculum every semester from semester III to VII, in the category of value added course. The learners can take away product after the successful completion of the training at the college premises. The financial consideration will be dealt on mutual acceptance.

c) Curriculum Design:

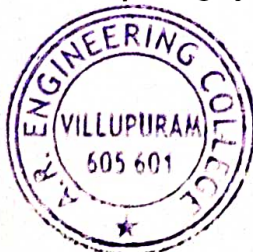

The company will give valuable inputs to the institution in teaching training methodology and suitably customize the curriculum so that the students fit into the industrial needs and standards.

d) Sponsored Internships (The Company will bear the required material expenses)

The Company will provide Sponsored Internship to selected meritorious students" batch after conducting assessment during the value added course period. The terms and conditions for this will be dealt separately. (Standard selection process involved)

e) Industrial Training and Visit

NETLINK DIGITAL SOLUTION INDIA PVT LTD, CHENNAI can arrange possibly Industrial visits and training in relevant fields depending upon the availability. The industrial training and exposure provided to the students

and faculties through this association to build confidence and prepare the students to have a smooth transition from academic to working career.

f) Faculty Development program

NETLINK DIGITAL SOLUTION INDIA PVT LTD, CHENNAI will provide faculty development programs to teach the faculties in the emerging trends of technology. The term FDP involves lecture sessions, open source software's and company copyrighted learning materials (if any) to the department. The institution needs to provide customary support of providing transport and staying facilities to the trainer/s assigned by the company.

NETLINK DIGITAL SOLUTION INDIA PVT LTD, CHENNAI is trying to expand the facilities, no activities (above mentioned) will be carried out at the company premises till further notice. All training, internships and other programs will be carried at college premises only.

4. Relationship between parties

It is expressly agreed that both parties are acting under this MoU shall not be constructed as partnership. Neither party is authorize to use the other parties name in any way to make any representation, or create any obligation or liability, expressed or implied on behalf of other party Neither party shall have nor represent itself as having any authority user the terms of this MoU to make the agreement of any kind in the name of binding upon the other party, to pledge the other party's credit or to extend the credit on behalf of the other party

To facilitate the implementation of this agreement, each party shall designate one or more liaison officers to serve on a standing committee. The standing committee will meet as and when required. The standing committee would review each party's participation in this agreement, assess the effectiveness of the agreement and identify modifications that might be necessary. The committee would as appropriate address urgent issues and specific cases of non-compliance.

5. Amendments

No amendments or modifications of this MoU shall be valid unless the same is made in writing by both the parties or their authorized representatives and specifically stating the same to be an amendment of this MoU. The modifications shall be effective from the date on which they are made or executed, unless otherwise agreed to.

6. Sole Arbitration Clause

If any dispute or difference whatsoever arising between the parties hereto out of or relating to the construction of meaning and operation or effect of this agreement or breach thereof, which cannot be settled between the parties shall be settled in accordance with the provisions of Arbitration and Conciliation Act 1996 by referring the dispute to a sole arbitrator and the award made in pursuance thereof shall be final and bind on the parties.

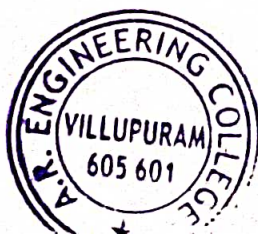

7. Duration Of The Mou

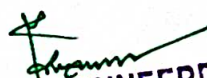

The duration of this MoU shall be for 5 Years from the date of signing of this MoU and shall be renewed on mutual agreement by both parties thereon. It may be modified by mutual written consent of both the parties.

8. SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the Agreement and having equal legal validity.

By signing below, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.

MEMORANDUM OF UNDERSTANDING

BETWEEN

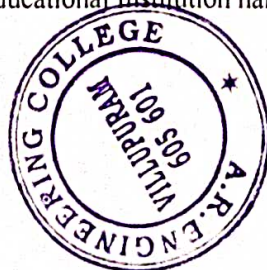

M/S. Bright Brothers Ltd, Puducherry - 605 107 and A.R Engineering College,
Kappiyampuliur – Villupuram (Dt) – 605 601

This Memorandum of Understanding (hereinafter called as the ('MoU')) is entered into on by and between. A.R Engineering College, Kappiyampuliur – 605 601 and M/S. Bright Brothers Ltd, Puducherry - 605 107

WHEREAS, this MOU is agreed between M/S. Bright Brothers Ltd and A.R Engineering College for the Placement of the Final Year B.E – EEE, ECE, CSE, CIVIL & MECH students as agreed in the following statement of work.

A) First Party is a Higher Educational Institution named: A.R Engineering College

G.MAHADEVAN
CHAIRMAN
A.R ENGINEERING COLLEGE
VADAKUCHIPALAYAM
KAPPIYAMPULIUR POST
VILLUPURAM - 605 601

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education, Placement, Industrial Visit, Expert Lecture.

D) **M/S. Bright Brothers Ltd,** - the Second Party is engaged in Mechanical Engineering

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1

CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish co-operation.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities.
- 1.3 The parties shall co-operate with each other and shall as promptly as is responsibly practical, relevant agreement.

CLAUSE 2

SCOPE OF THE MoU

2.1 Industrial Training & Visits: Industry and Institution interaction will provide an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. This will provide confidence & smooth transition for students work. Also the Second party may register on the AICTE Internship Portal for the benefit of students.

2.2 Guest Lectures: Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

2.3 Placement of trained students: second party will actively engage to help the delivery of the training and placement of the students of the first party on the technology trends and in house requirements.

2.4 There is no financial commitment on the part of the **A.R Engineering College**, the first party to take up any program mention in MoU. If there is any financial consideration, it will be dealt separately.

2.5 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required.

CLAUSE 3 VALIDITY

3.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period, the Second Part.

CLAUSE 4

RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership.

DEPARTMENT OF MECHANICAL ENGINEERING

INTERNSHIP TRAINING REPORT

YEAR /SEM:IV/VIII

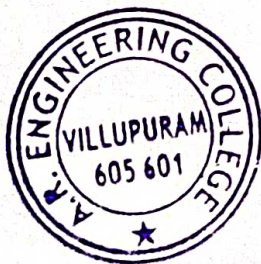

VISITED DATE :03.12.2021 to 6.12.2021

COMPANY NAME: M/S BRIGHT BROTHERS LTD

Our college has organized an industrial visit on 03.12.2021. M/S BRIGHT BROTHERS LTD , Puducherry for the second and third year students of Mechanical department. M/S BRIGHT BROTHERS LTD is one of the renowned brands offering consumer and durable and plastic household containers for various residential and consumer purposes. We deal in a vast range of plastic modulers, plastic molding and consumer durable products as per the demand of home and industrial needs.

The Bright Group's relationship with its customers has been built over time and their trust has been earned through continuously striving and delivering more than expected. People who depend on plastics, depend on Bright. Over the years, we have shared a very strong bond with our customers. Following is a glimpse of the esteemed customers with whom we have worked during different phases of our journey.

M/S Bright Brothers Ltd is a well known plastic part design and manufacture across the globe. Our consumer durable unit is completely involved in manufacturing and supplying washing machines, Refrigerators and air conditioners, water purifiers, vacuum cleaners, fans and some other residential and commercial products. Our offered products are manufactured using high quality raw materials and advanced quality.

MEMORANDUM OF UNDERSTANDING

BETWEEN

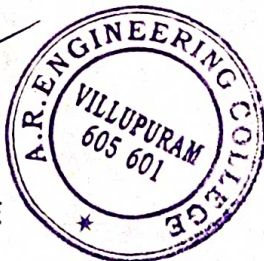

M/S. Swastik Filaments Pvt Ltd, Puducherry - 605 102 and A.R Engineering College,
Kappiyampuliur – Villupuram (Dt) – 605 601

This Memorandum of Understanding (hereinafter called as the ('MoU') is entered into on by and between.
A.R Engineering College, Kappiyampuliur – 605 601 and M/S. Swastik Filaments Pvt
Ltd, Puducherry - 605 102

WHEREAS, this MOU is agreed between M/S. Swastik Filaments Pvt Ltd, and A.R
Engineering College for the Placement of the Final Year B.E – EEE, ECE, CSE, CIVIL & MECH
students as agreed in the following statement of work.

A) First Party is a Higher Educational Institution named: A.R Engineering College

G. MAHADEVAN
CHAIRMAN
A.R ENGINEERING COLLEGE
VADAKUCHIPALAYAM
KAPPIYAMPULIUR POST
VILLUPURAM - 605 601

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education, Placement, Industrial Visit, Expert Lecture.

D) M/S. Swastik Filaments Pvt Ltd, - the Second Party is engaged in Mechanical Engineering

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1

CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish co-operation.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities.
- 1.3 The parties shall co-operate with each other and shall as promptly as is responsibly practical, relevant agreement.

CLAUSE 2

SCOPE OF THE MoU

- 2.1 Industrial Training & Visits: Industry and Institution interaction will provide an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. This will provide confidence & smooth transition for students work. Also the Second party may register on the AICTE Internship Portal for the benefit of students.
- 2.2 Guest Lectures: Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.
- 2.3 Placement of trained students: second party will actively engage to help the delivery of the training and placement of the students of the first party on the technology trends and in house requirements.
- 2.4 There is no financial commitment on the part of the **A.R Engineering College**, the first party to take up any program mention in MoU. If there is any financial consideration, it will be dealt separately.
- 2.5 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required.

CLAUSE 3 VALIDITY

- 3.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period, the Second Part.

CLAUSE 4

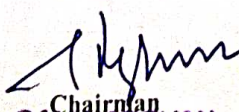

RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership.

MEMORANDUM OF UNDERSTANDING

BETWEEN

M/S. Rane (Madras) Limited, Puducherry - 605 107 and A.R Engineering College,
Kappiyampuliur – Villupuram (Dt) – 605 601

This Memorandum of Understanding (hereinafter called as the ('MoU')) is entered into on by and between.
A.R Engineering College, Kappiyampuliur – 605 601 and M/S. Rane (Madras)
Limited, Puducherry - 605 107

WHEREAS, this MOU is agreed between M/S. Rane (Madras) Limited, and A.R Engineering College for the Placement of the Final Year B.E – EEE, ECE, CSE, CIVIL & MECH students as agreed in the following statement of work.

A) First Party is a Higher Educational Institution named: A.R Engineering College

G.MAHADEVAN
CHAIRMAN
AR ENGINEERING COLLEGE
VADAKUCHIPALAYAM
KAPPIYAMPULIUR POST
VILLUPURAM - 605 601

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education, Placement, Industrial Visit, Expert Lecture.

D) **M/S. Rane (Madras) Limited**, - the Second Party is engaged in Mechanical Engineering

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1

CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish co-operation.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities.
- 1.3 The parties shall co-operate with each other and shall as promptly as is responsibly practical, relevant agreement.

CLAUSE 2

SCOPE OF THE MoU

2.1 Industrial Training & Visits: Industry and Institution interaction will provide an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. This will provide confidence & smooth transition for students work. Also the Second party may register on the AICTE Internship Portal for the benefit of students.

2.2 Guest Lectures: Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

2.3 Placement of trained students: second party will actively engage to help the delivery of the training and placement of the students of the first party on the technology trends and in house requirements.

2.4 There is no financial commitment on the part of the **A.R Engineering College**, the first party to take up any program mention in MoU. If there is any financial consideration, it will be dealt separately.

2.5 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required.

CLAUSE 3 VALIDITY

3.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period, the Second Part.

CLAUSE 4

RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership.

MEMORANDUM OF UNDERSTANDING

MEMORANDUM OF UNDERSTANDING
BETWEEN

AS SOFT TECHNOLOGIES, CHENNAI

AND

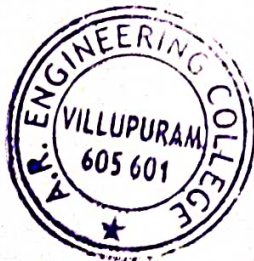

A.R.ENGINEERING COLLEGE, VILLUPURAM

This agreement made and entered into on 06 FEB 2021 between AS SOFT TECHNOLOGIES, CHENNAI and A.R.ENGINEERING COLLEGE, VILLUPURAM

1. OBJECTIVES OF THE MOU

The objective of this Memorandum of Understanding is:

- To promote interaction between in " **AS SOFT TECHNOLOGIES, A.R.ENGINEERING COLLEGE, VILLUPURAM CHENNAI** & mutually beneficial to the Students in the area of Robotics & Automation Engineering.

Dr. R. PANNEERDHASS, M.E., Ph.D.,
PRINCIPAL
A.R. ENGINEERING COLLEGE
VADAKUCHIPALAYAM,
KAPPIYAMPULIYUR POST,
VILLUPURAM-605 601.

AS SOFT TECHNOLOGIES is an R&D firm primarily focuses on edu-tech to provide early technology exposure to students and nurture their innovation skills to serve as a pathway for students and corporates to learn the next gen technologies. We want our students to dominate the future with their innovations. It provides a rare level of skill set to students which rise up their job opportunities. We are well known for our fun-based collaborative practical teaching approach. We also create numerous national and international winners at various robotics and innovative contests held all over the world.

2. PROPOSED MODES OF COLLABORATION

" **AS SOFT TECHNOLOGIES, CHENNAI & A.R.ENGINEERING COLLEGE, VILLUPURAM** proposes to collaborate through

1. AREC sponsoring 2nd, 3rd and 4th year students of All Department of Engineering courses.

2. AS SOFT TECHNOLOGIES, CHENNAI will conduct Hands-on technical Training & Skill Development program, Internships (Involves selection process), Industrial Training and FDP/ technical sessions (only **under mutual consent**) to all students at **AREC Premises**.

3. SCOPE OF MOU

Based on a study of the objectives and strengths of both the organizations, a MoU is agreed upon which envisages the following:

a) Joint Interdisciplinary Research and Developmental projects:

Applying for joint projects from CSIR or UGC or other similar agencies funding research grants, mutual sharing of grants for the benefit of both organizations, joint publications arising from such research grants.

b) Hands-on Commercial product Development Training & Skill Development program

The Company will provide Product based learning programs (in their expertise area) in coherent with curriculum every semester from semester III to VII, in the category of value added course. The learners can take away product after the successful completion of the training at the college premises. The financial consideration will be dealt on mutual acceptance.

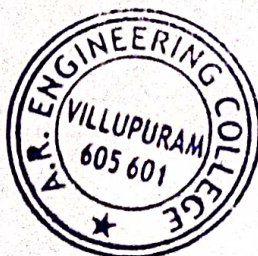

c) Curriculum Design:

The company will give valuable inputs to the institution in teaching training methodology and suitably customize the curriculum so that the students fit into the industrial needs and standards.

d) Sponsored Internships (The Company will bear the required material expenses)

The Company will provide Sponsored Internship to selected meritorious students" batch after conducting assessment during the value added course period. The terms and conditions for this will be dealt separately. (Standard selection process involved)

e) Industrial Training and Visit

AS SOFT TECHNOLOGIES, CHENNAI can arrange possibly Industrial visits and training in relevant fields depending upon the availability. The industrial training and exposure provided to the students and faculties through this association to build confidence and prepare the students to have a smooth transition from academic to working career.

f) Faculty Development program

AS SOFT TECHNOLOGIES, CHENNAI will provide faculty development programs to teach the faculties in the emerging trends of technology. The term FDP involves lecture sessions, open source software's and company copyrighted learning materials (if any) to the department. The institution needs to provide customary support of providing transport and staying facilities to the trainer/s assigned by the company.

AS SOFT TECHNOLOGIES, CHENNAI is trying to expand the facilities, no activities (above mentioned) will be carried out at the company premises till further notice. All training, internships and other programs will be carried at college premises only.

4. Relationship between parties

It is expressly agreed that both parties are acting under this MoU shall not be constructed as partnership. Neither party is authorize to use the other parties name in any way to make any representation, or create any obligation or liability, expressed or implied on behalf of other party Neither party shall have nor represent itself as having any authority user the terms of this MoU to make the agreement of any kind in the name of binding upon the other party, to pledge the other party's credit or to extend the credit on behalf of the other party

To facilitate the implementation of this agreement, each party shall designate one or more liaison officers to serve on a standing committee. The standing committee will meet as and when required. The standing committee would review each party's participation in this agreement, assess the effectiveness of the agreement and identify modifications that might be necessary. The committee would as appropriate address urgent issues and specific cases of non-compliance.

5. Amendments

No amendments or modifications of this MoU shall be valid unless the same is made in writing by both the parties or their authorized representatives and specifically stating the same to be an amendment of this MoU. The modifications shall be effective from the date on which they are made or executed, unless otherwise agreed to.

6. Sole Arbitration Clause

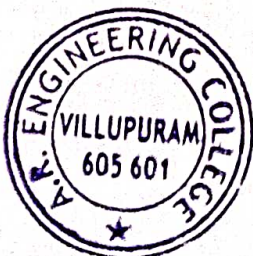

If any dispute or difference whatsoever arising between the parties hereto out of or relating to the construction of meaning and operation or effect of this agreement or breach thereof, which cannot be settled between the parties shall be settled in accordance with the provisions of Arbitration and Conciliation Act 1996 by referring the dispute to a sole arbitrator and the award made in pursuance thereof shall be final and bind on the parties.

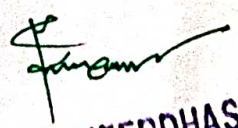

7. Duration Of The Mou

The duration of this MoU shall be for 5 Years from the date of signing of this MoU and shall be renewed on mutual agreement by both parties thereon. It may be modified by mutual written consent of both the parties.

8. SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the Agreement and having equal legal validity.

Respected Sir,

Sub: Request permission to conduct a Seminar on "**POWER SYSTEM ANALYSIS**" for Department of Electrical and Electronics Engineering students of our institute - reg.

It is pleasure to inform you that Department of EEE has planned to conduct a Seminar on "**POWER SYSTEM ANALYSIS**" at 09.30 AM to 4.00 PM on 03.03.2022. This seminar focuses on various aspects of power system analysis for its fault analysis types involving z bus and y bus algorithm so that fault current can be identified for its various types of fault. So, we kindly request you to grant us permission to conduct the programme. The Schedule and proposal of the programme is enclosed with this letter for your kind persual. and permission. Kindly do the needful.

ATTENDANCE FOR SEMINAR ON

Date:03.03.2022

"POWER SYSTEM ANALYSIS"

Time : 09.30 am

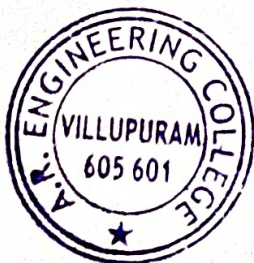

Name of the Selected Spoke College:A.R ENGINEERING COLLEGE,KAPPIAMPULIYU

REPORT OF THE PROGRAMME SEMINAR

Date of Activity	03.03.2022 Time : 9.30 am to 04.00 pm
Venue of Activity	Seminar Hall
Activity Coordinators	1.power System problem could be as subtle as a light that dims every time a large motor starts or as catastrophic as equipment. 2. Designed to store energy, both capacitors and batteries can effectively counteract undesirable electrical characteristics . 3. Reducing the real and reactive power losses
Speaker	Mr.R.RAMKUMAR,As soft technologies ,chennai
Participants	6 Faculty Members along with Students
Outcome and takeaways	1.Differentiate between different types of power system analysis regarding its various types of faults.

A.R ENGINEERING COLLEGE, Department of Electrical and Electronics Engineering organized a Seminar on Power System analysis. MR.R.RAMKUMAR, As soft technologies, chennai was the expert speaker on the occasion. The Seminar intended to tell about how to assess the power system fault analysis regarding all types of faults over it that is happened at some time in the system and also known the issues and solutions in emergency period. And to this course on Electrical power system regarding fault analysis in various aspects . Students of Electrical Engineering have to undergo this course as a subject in eighth semester.

It is needless to mention that how much we are dependent on electricity in our day to day life. A reasonable understanding on the basics of different problems and their solutions to applied electricity is therefore important for an electrical engineer. This paper will help the students know different power quality problems occurring in power system and provide brief idea about their Solutions With comparative study

MEMORANDUM OF UNDERSTANDING

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this the 16 day of November, 2019 by and between

A.R. ENGINEERING COLLEGE, Villupuram, the First Party represented herein by its

Dr. R.PANNEERDHASS, Principal (hereinafter referred as 'First Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

AND

WORKSBOT APPLICATION PRIVATE LIMITED (U72900TN2021PTC140751), THE SECOND PARTY, and represented herein by its DIRECTOR DIVAN GAMALIEL, (hereinafter referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors-in-office, administrators and assigns).

First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'party'

Dr. R. PANNEERDHASS, M.E., Ph.D.,
PRINCIPAL
A.R. ENGINEERING COLLEGE
VADAKUCHIPALAYAM,
KAPPIYAMPULIYUR POST,
VILLUPURAM-605 601.

The First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities to benefit students and job seekers.

The Parties intend to cooperate within the area Assistance and Internships. of Skill-Based Training and Placement Now, therefore, in consideration of the mutual promises set forth in this MoU, the parties here too agree as follows:

1. SCOPE OF THE MOU

1.1 Co-operation and Collaboration: The students from the institution can play a key role in technological up-gradation, innovation, and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge and career prospects.

1.2 Placement of Trained Students: The Second Party will actively engage to help in the placement of the students of the First Party in suitable jobs and internships.

1.3 There is no financial commitment on the part of either party in the scope of these assisted placement initiatives offered by the Second Party. The placement assistance offered is subject to the following terms:

1.3.1 To be considered for placement assistance /Internship, students must be registered in the Worksboat platform.

1.3.2 Students must create a VIDEO resume using the available templates on the Worksboat app.

1.3.3 All VIDEO resumes must be in English, and meet the minimum quality criteria as ascertained and checked by Worksboat's representatives regarding aspects like completeness, the accuracy of the information, quality of audio and video etc.

1.3.4 Worksboat's computer algorithm and its representatives will screen and shortlist the students for various available opportunities based on skills, experience, job location, and any other fitment parameters necessary.

1.3.5 While the intent is to place as all qualified students as possible, there is no assurance from the Second Party on placement outcomes since this depends on a host of factors and fitment criteria.

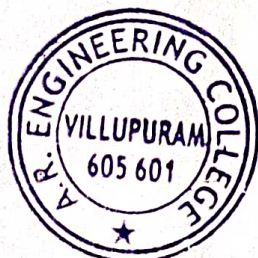

1.3.6 If a student is successfully placed in a job/program/internship in which the client trains students/invest money in skill up-gradation but chooses to leave the job/program within 3 months from the start date for whatever reason OR is asked to leave for reasons of performance, conduct or any other reason, the First Party agrees to offer a suitable replacement candidate as soon as possible.

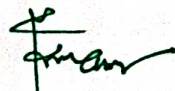

2. INTELLECTUAL PROPERTY

2.1 Nothing contained in this MOU shall, by express grant, implication, estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copyrights and designs) of the other Party.

3. VALIDITY

3.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period, both Parties will take effective steps for implementation of this MOU. Any act on the part of either party after termination of this Agreement by way of communication, correspondence, etc., shall not be construed as an extension of this MOU.

PRINCIPAL
A.R. ENGINEERING COLLEGE
VADAKUCHIPALAYAM,
KAPPIYAMPULIYUR POST,
VILLUPURAM-605 601.

3.2 Both Parties may terminate this MOU upon 30 calendar days' notice in of termination, both parties must discharge their obligations as mutually discussed. writing. In the event of termination, both parties must discharge their obligations as mutually discussed.

4. NON-CIRCUMVENTION

4.1 The First Party agrees not to engage with, directly or indirectly, the clients of the Second Party while the MOU is active.

5. RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

5.2 It is also agreed that the First Party agrees to have the Second Party use the logo and branding for marketing purposes on the website, brochures, social media, and other media events to help get the required visibility and exposure for the students.

MEMORANDUM OF UNDERSTANDING

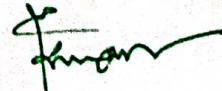

BETWEEN
A.R.ENGINEERING COLLEGE
AND
AVA SOFTWARE PVT LTD

PARTIES:

A.R.ENGINEERING COLLEGE

A.R Engineering College, which was set up in 2008, has laid the foundation of modern engineering education. Over the years, A.R Engineering College has evolved to reach and hold a unique position of pride in the technical education system in India. This college is known all over India for providing quality, technological and scientific education.

Dr. R. PANNEERDHASS, M.E., Ph D.,
PRINCIPAL
A.R. ENGINEERING COLLEGE
VADAKUCHIPALAYAM,
KAPPIYAMPULIYUR POST,
VILLUPURAM-605 601.

A.R Engineering College had a rich heritage of the past and had its standing as one of the best engineering colleges in Villupuram. As of now, A.R Engineering College has 6 academic departments supported by the several service centers like Computer Centre, Instrumentation Centre and Central Library. The Institute offers 6 undergraduate (B.E) courses in Engineering ie., Computer science and Engineering, Civil Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering and Artificial intelligence & Data Science.

AVA Software Pvt Ltd is working towards providing holistic education and creating sustainable livelihoods for under- privileged students. AVA Software Pvt Ltd has launched a free skill up-gradation program focused on upskilling youth from marginalized or weaker sections. As a part of the initiative, we will be providing skill training in various IT skills, Software Skills, Soft skills and interview preparedness which will help them become job-ready.

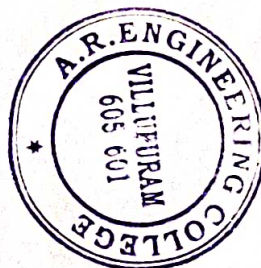

The partnership between AVA Software Pvt Ltd and A.R. Engineering college is aimed at providing a free skill up-gradation to the underprivileged students of the college as a step towards making them aware of the opportunities in their interest areas and guiding them to pursue their dream career by attaining necessary skills and knowledge through qualified trainers.

Objective of AVA Software Pvt Ltd :

AVA Software Pvt Ltd , as an implementation partner, is very keen on upskilling youth from marginalized or weaker sections. AVA Software Pvt Ltd believes that students from economically weaker sections need to be empowered so that they can tap their potential in their field of study. AVA Software Pvt Ltd would be facilitating skill upgradation sessions for the underprivileged students through the partner & volunteer network.

Details of the Partnership:

- A.R. Engineering college along with the trainer identified will be monitoring the student attendance and retention and will be responsible for updating in the data management system provided by AVA Software Pvt Ltd
- Trainer(s) will be paid by AVA Software Pvt Ltd according to the company policies. A.R. Engineering college need not pay the trainer during the entire period
- Mode of payment will depend on the flexibility of the trainer and the A.R. Engineering college if the trainer is selected by the them
- If AVA Software Pvt Ltd is selecting the trainer, AVA Software Pvt Ltd will be responsible for the payment to the respective trainer allocated for the college
- AVA Software Pvt Ltd will be conducting various guest lectures, soft skills sessions and mock interviews to prepare the students for interviews during the period of training
- AVA Software Pvt Ltd will collaborate with its partner corporate in conducting job fairs / campus drives during or after the training period

REPORT OF THE SEMINAR

Date of Activity	10.05.2022 Time : 9.30 am to 04.00 pm
Venue of Activity	Seminar Hall
Activity Coordinators	1.power System problem could be as subtle as a light that dims every time a large motor starts or as catastrophic as equipment. 2. Designed to store energy, both capacitors and batteries can effectively counteract undesirable electrical characteristics . 3. Reducing the real and reactive power losses
Speaker	Mr.R.KANNAN, VAVA SOFTWARE PVT LTD
Participants	Students
Outcome and takeaways	1.Differentiate between different types of power system analysis regarding its various types of faults.

A.R ENGINEERING COLLEGE, Department of Electrical and Electronics Engineering organized a Seminar on Power System analysis. MR.K.KANNAN, AVA SOFTWARE PVT LTD was the expert speaker on the occasion. The Seminar intended to tell about how to assess the power system fault analysis regarding all types of faults over it that is happened at some time in the system and also known the issues and solutions in emergency period. And to this course on Electrical power system regarding fault analysis in various aspects . Students of Electrical Engineering have to undergo this course as a subject in eighth semester.

It is needless to mention that how much we are dependent on electricity in our day to day life. A reasonable understanding on the basics of different problems and their solutions to applied electricity is therefore important for an electrical engineer. This paper will help the students know different power quality problems occurring in power system and provide brief idea about their Solutions With comparative study
